**Soul-Strung** Rachel Hobbs, 2021-11-07 Ruby and Drayvex are back and better than ever in Soul Strung! - Goodreads 

Battleworn Ruby is putting her darkest days behind her, and where better to start again than the bustling Callien city? Too good to be true, when the demon of her past comes crashing back into her life, the warning he carries with him leaves it in pieces. Where Drayvex goes, chaos and mayhem trail in his wake. And she's bound to him tighter than ever before. Scheming Drayvex has been busy: chasing the demon turned traitor from world to world, keeping furtive tabs on the girl with a piece of his soul; oh, and running a demon empire. Concerned Ruby will be discovered alive, he enlists her on a hunt for the lapis temporis, an object that can quite literally turn back time, to fix old mistakes and kill their mutual enemy in the past. He's done playing games. Power-starved Saydor is on the run. Converting to his cause one underdog at a time, his eyes and ears are everywhere. You can't kill what you can't find, and Saydor's covert talent is deadly. The bigger you are, the harder you fall. And he's just getting started. But when you're playing for time itself, how do you know when you've been here before?

*If Anything Happens I Love You* Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain

exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War.

Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have it's own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong.
