Papertoy Monsters Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

Boo on the Loose Gail Herman,2002 The number one Scare Team at Monsters, Inc., must come up with a solution when a girl named Boo makes her way onto the scare floor.

Paper Monsters Oscar Sabini,2017-09-05 A hands-on monster collage studio that will delight and inspire Paper Monsters is a hands-on collage studio for young children. Budding artists can create seven collage pictures of monsters in cleverly designed paper pockets in the book. Complete all the pictures to make a monster procession hurrying to the last page, where young readers discover the monsters at monster school with a final collage to complete. The book has step-by-step instructions showing how to make the collages but the collage-making activity is open and free. Each spread features an inspirational collage illustration of a monster and paper pocket with a window cut to the same monster shape. Children can tear and paste the decorated papers included in an envelope at the back of the book, along with any scraps of recycled newspapers and magazines, to make a collage on the piece of card. Slot the piece of collage card into the pocket so it shows through the monster-shaped window, and voila! A wonderful collage monster. Oscar Sabini's artwork is charming and characterful, inspiring young children to be creative and experiment with form and color.
