*The Essential Guide to Motorcycle Travel, 2nd Edition* Dale Coyner,2017-02-16 Motorcyclists in record numbers are heading out on ambitious trips across America and around the world. The Essential Guide to Motorcycle Travel offers essential advice to fully prepare them for traveling long distances over extended periods. Whether you are getting ready for a weekend trip beyond your home turf, or for a transcontinental odyssey lasting several years, Coyner's book details the fundamentals for riding in comfort, safety, and convenience. In three major sections, this book covers trip planning, rider preparation, and outfitting the motorcycle. This newest edition has been completely updated to reflect current information and the newest trends in mobile technology, as it relates to motorcycle touring. Coyner lays out the steps for planning a worry-free, fun trip, one that starts with the rider physically and mentally prepared. On the road, having good riding gear can make a dramatic difference in comfort and safety as the weather changes from dry to wet, and from hot to cold. Coyner describes the important aspects of personal preparation and describes the major kinds of riding gear and how they work to control body temperature and moisture. As motorcycle technology has evolved, so have aftermarket accessories, which are made to address virtually every special need. Coyner shows you step-by-step how electrical modifications can be made, and provides specific sections on high-performance lighting and conspicuity, GPS and other cockpit instruments, entertainment and communication devices, cameras and camcorders, ergonomic enhancements, suspension improvements, luggage and storage additions, and trailers. Over 250 full-color photographs illustrate riding gear, accessories, and modifications that will make any motorcycle adventure the trip of a lifetime.

*The Mouse and the Motorcycle* Beverly Cleary,2009-10-06 In this imaginative adventure from Newbery Medal-winning author Beverly Cleary, a young mouse named Ralph is thrown into a world of excitement when a boy and his shiny toy motorcycle check in to the Mountain View Inn. When the ever-curious Ralph spots Keith's red toy motorcycle, he vows to ride it. So when Keith leaves the bike unattended in his room one day, Ralph makes his move. But with all this freedom (and speed!) come a lot of obstacles. Whether dodging a rowdy terrier or keeping his nosy cousins away from his new wheels, Ralph has a lot going on! And with a pal like Keith always looking out for him, there's nothing this little mouse can't handle. This timeless classic now features a foreword written by New York Times bestselling author Kate DiCamillo, as well as an exclusive interview with Beverly Cleary herself. *The Mouse and the Motorcycle* is perfect for independent reading or for shared reading at home or in a classroom. This fun story is the first of a trilogy, along with *Runaway Ralph* and *Ralph S. Mouse*, all inspired by the author's hope to create appealing books for boys and girls—and by the sight of her son playing with toy cars.

**Dead Biker** Jerry Langton,2012-02-08 Sometimes, you make bad choices. Sometimes, bad choices are made for you. Ned Crash Aiken thought he had made a clean break. He had turned on his biker brothers in the Sons of Satan and entered the FBI's witness protection program, only to end up in a different kind of prison, one of mediocre work and cheap apartments. He then fell in with the Russian mob, learning their brutal code first-hand and fleeing their organization when the stakes got too high. Between the FBI, the Sons and the Russians, there are a lot of people who want to get their hands on the innocent-looking ex-drug trafficker. Now he's in Mexico, trying to go straight and stay alive. But Mexico isn't like the United States. It isn't even like it used to be in its heyday as a playground for wealthy gringos to vacation or college kids to party on the cheap. Ned is no stranger to drugs, violence and brutality, and what he sees in Mexico he can only try to ignore. But even while Ned tries his best to mind his own business, he is forced back into the underworld against his will. He finds himself at the mercy of a cartel and its notorious leader, and now the game is just about survival. But how can you play the game when there are no rules? From the author of the best-selling *Gangland*, a searing read about the Mexican cartels, *Dead Biker* is a disturbing story about immense power and indiscriminate brutality, and lives held hostage in more ways than one.

**Camp for Free** John Soares,2022-01-11 Updated for 2023! Did you know that you can camp for free on much of America's public lands? Boondocking/dispersed camping is growing rapidly in popularity as more and more people take to their vans, RVs, SUVs, trucks, and cars to explore the backroads of America's forests and deserts in search of solitude and natural beauty. I Have a Lot of Experience Doing Dispersed Camping! I'm John Soares, a writer for businesses and nonprofits for over three decades, and also the author of four hiking guidebooks on Northern California. I've been doing dispersed camping for 30-plus years in California, Oregon, Washington, Idaho, Wyoming, Utah, New Mexico, Arizona, Nevada, and other states. In this book I bring all my knowledge, experience, and research together to clearly explain everything you need to know to get out into nature on national forest and Bureau of Land Management (BLM) lands and find primo camping spots, while saving a ton of money in the process. This Book is Your Bible for Dispersed Camping and Boondocking Here's what Camp for Free: Dispersed Camping & Boondocking on America's Public Lands covers: -- In-depth discussion of the different types of federal and state lands where you can camp for free, including dispersed camping and boondocking on national forests, Bureau of Land Management (BLM) lands, national monuments, and more -- Clear explanation of how to research

the best areas to go dispersed camping and boondocking, and where to find the best advice on finding campsites -- Detailed guidelines that help you find excellent campsites once you're out on dirt roads in the hills, forest, or desert - and what you need to do to not get lost! -- A list of the key characteristics of a good dispersed campsite, and how to make sure it's a good fit for your specific needs -- How you can minimize your impact on the land, including applying Leave No Trace principles -- What you need to do to be as safe as possible when camping and exploring -- How to keep your dogs safe -- Advice on where to legally sleep along highways and in and near towns and cities -- A comprehensive list of everything you need to take with you to have a thoroughly enjoyable dispersed camping experience -- A clear definition of dispersed camping, and why I use it more than "boondocking," which is more common among RV folks. I also define similar terms, such as free camping, primitive camping, dry camping, and wild camping. -- A comparison of dispersed camping with regular pay campgrounds, and why, despite the cost and potential noise and other hassles, it can occasionally be a good idea to stay in a campground. -- Discussion and ranking of the variety of vehicles you can use for dispersed camping: full-size vans, trucks with camper shells, minivans, RVs, travel trailers, cars, and motorcycles. Only have a regular car? No problem—you can still do this! The book includes 25 photos, plus maps showing the distribution of U.S. Forest Service and Bureau of Land Management lands across the United States. What This Book Is - and What It Is Not There are hundreds of thousands of places where you can legally boondock and do dispersed camping in the United States, so this is not a guidebook to specific places. Rather, it's how-to manual that makes sure you know how to find the best dispersed camping and boondocking sites in the United States, and that you maximize your enjoyment and safety. My Website Has a Wealth of Boondocking/Dispersed Camping Resources In the introduction and throughout the book you'll see my website address. The website helps you find the best dispersed camping spots and get the most out of your dispersed camping experiences. It includes websites and apps that help you find specific campsites.
