Planning for Learning through ICT Rachel Sparks Linfield, Debra Maltas, 2012-09-26 Planning for Learning through ICT aims to introduce young children to what ICT is, and provides over six weeks worth of activities that explore a range of technologies suitable for children 3-5. The book provides ideas for helping children learn about the different purposes of ICT and explores how to use ICT to create, to find information, to play, to shop. The book focuses in particular on how to use ICT creatively as well as outdoors. Whatever your daily learning, this book aims to show how ICT can be easily and appropriately included in your everyday play and learning.

Paper Made! Kayte Terry, 2016-03-08 Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.

Reading Engagement for Tweens and Teens Margaret K. Merga,2018-12-01 Identifies evidence-backed and easy-to-implement strategies for encouraging young people to read, and helps you to position your library as an indispensable resource for supporting reading. While most reading research focuses on young children, this book looks at how to support reading beyond the early years and into adulthood. Reporting on strong, peer-reviewed research supported by sound theoretical and methodological approaches, it emphasizes the practical implications of these findings, sharing what this means for you in terms of how you can be a powerful positive reading model and influence in young people's lives. Enriched with the voices of today's young people, the book includes quotes that allow readers to decide how to support reading engagement for tweens and teens based on what would make them read more, as expressed in their own words. Engaging and readable, it will be of interest to school and public librarians and can be shared with teachers, parents, and other literacy instructors and advocates.

Model Rules of Professional Conduct American Bar Association. House of Delegates,Center for Professional Responsibility (American Bar Association),2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Augmentative and Assistive Communication with Children Lesley E. Mayne,Sharon M. Rogers,2020-05-21 This practical resource is designed to help the families and professionals who support children who use augmentative and assistive communication (AAC) to interact with the world around them. The research-based Hear Me into Voice protocol, presented at the American Speech-Language-Hearing Association Annual Convention in 2018, the California Speech-Language Hearing Association Annual Convention in 2017, and the International Society for Augmentative and Alternative Communication Conference in 2016, provides communication partners with a functional knowledge of the child's communication skills and provides a practical intervention plan to carry forward. Through this protocol and intervention plan, communication partners can engage with the child's personal voice, through their varying multimodal forms of communication; the child is given the space to grow into a competent and confident communicator. Key features include: Photocopiable and downloadable resources, including the Hear Me into Voice protocol, an AAC report shell template, an AAC report teaching template, and tools including how to make a communication wallet, and a Let's Chat communication partner tip card template. Guidance for offering AAC intervention sessions, including an intervention plan supported by case studies Practical activities that can be used to engage children with complex communication profiles Engaging and easy to follow, this resource is not only essential for professionals and students looking to support children with complex language needs, but also families looking to understand their child's unique communication style.
