*The Restoration of Engravings, Drawings, Books, and Other Works on Paper* Max Schweidler,2006 Ever since its original publication in Germany in 1938, Max Schweidler's *Die Instandetzung von Kupferstichen, Zeichnungen, Buchern usw* has been recognized as a seminal modern text on the conservation and restoration of works on paper. To address what he saw as a woeful dearth of relevant literature and in order to assist those who have 'set themselves the goal of preserving cultural treasures,' the noted German restorer composed a thorough technical manual covering a wide range of specific techniques, including detailed instructions on how to execute structural repairs and alterations that, if skilfully done, can be virtually undetectable. By the mid-twentieth century, curators and conservators of graphic arts, discovering a nearly invisible repair in an old master print or drawing, might comment that the object had been 'Schweidlerized.' This volume, based on the authoritative revised German edition of 1949, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated critical edition. The editor's introduction places the work in its historical context and probes the philosophical issues the book raises, while some two hundred annotati

**Arnie, the Doughnut** Laurie Keller,2018-12-18 This ebook includes audio narration. A deliciously imaginative story about friendship—from the author / illustrator of *The Scrambled States of America*. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. Good-bye! Arnie yelled to each doughnut. Have a good trip! This is so exciting! Arnie beamed. I wonder who will choose ME? At first glance, Arnie looks like an average doughnut—round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts—or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself. This title has Common Core connections Arnie, the Doughnut is a 2004 Bank Street - Best Children's Book of the Year.

**The Sneetches and Other Stories** Dr. Seuss,2013-10-22 Embrace diversity with Dr. Seuss and the Sneetches in this collection of stories about

acceptance! The new matte finish cover makes it a great gift! The Sneetches got really quite smart on that day, The day they decided that Sneetches are Sneetches. And no kind of Sneetch is the best of the beaches. The story of the Star-bellied Sneetches and their star-less friends is a perfect guide for kids growing up in today's multicultural world. This classic is joined by equally entertaining tales: The Zax, a humorous take on the art of compromise; Too Many Daves, which shows kids that sometimes standing out is better than blending in; and What Was I Scared Of?, which demonstrates how empathy can transform a stranger into a friend. In these four energetic stories, Dr. Seuss challenges the idea that we have to look the same or be the same to find common ground. Full of Dr. Seuss's signature rhymes and lively humor, this story collection is a must-have for any reader, young or old.
