Sticks and Stones Melissa Lennig,2019-05-07 Sticks and Stones presents a treasure trove of building and engineering ideas for children to employ in the great outdoors using the materials made readily available to them, from cabins and tipis to bridges and dams. Many smaller scale projects are included, too—such as how to make ochre paint with shale, make a fishing pole, and carve a marshmallow roasting stick. Opportunities and materials for constructive play exist everywhere in nature. Author Melissa Lennig (of the blog Fireflies and Mud Pies) introduces today's screen-overloaded kids to this world of fun waiting just outside the door. Whether camping or hanging out in the back yard, children will marvel at the wonderful, useful tools and playthings they can create with natural objects. Sticks and Stones details various designs for the ever-popular fort (cabins, tipis, survival shelters, etc.) and also covers structures such as bridges, fences, and dams, while explaining the STEAM principles behind each. In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. Along the way, there are multi-leveled reading opportunities in the form of quick features on considerations like mindfulness, campfire safety, mini STEAM design challenges, and more. Sticks and Stones is an essential resource for every junior outdoor adventurer.

Bad Dog Mike Boldt,2019-11-05 The differences between cats and dogs have never been funnier! In this hilarious story from the illustrator of I Don't Want to Be a Frog, a little girl really, really wants a dog . . . but gets a cat instead! Look what I got for my birthday! A pet dog! says a little girl holding a . . . cat? Rocky doesn't listen or obey like all the other dogs. (Because Rocky is a cat.) And Rocky hates her leash and doesn't seem to like other dogs. (Probably because Rocky is a cat.) And rather than play fetch, Rocky prefers to . . . lick between her toes? Ew. Rocky is a bad dog! BUT Rocky doesn't bark, and is so cute when she sleeps in sunny spots. Maybe Rocky IS a good dog? (Or, you know, maybe Rocky is a cat.) Cat lovers and dog lovers alike will howl with laughter at this little girl's willful insistence that her cat is a dog. The hilarious ways in which cats and dogs are different are brilliantly illuminated with each turn of the page and will leave young readers and their grown-ups giggling. 🏆 Winner: Missouri Building Block Picture Book Award, 2021 🏆 Winner: North Carolina Children's Book Award, 2022 🏆 Winner: Wyoming Library Association Buckaroo Award, 2021-22 🏆 Winner: Ontario Library Association Forest of Reading Blue Spruce Award, 2021 🏆 Winner: Sakura Medal, Japan, 2022 🏆 Nominee: Indiana Early Literacy Firefly Award, 2022

The Complete Story of Sadako Sasaki Masahiro Sasaki,Sue DiCicco,2020-04-07 **Independent Publisher Book Award (IPPY) Winner** **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired

family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.
