A Dictionary of Cebuano Visayan John Wolff,2016-01-27 This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

Lake Victoria Joseph L. Awange,Obiero Ong'ang'a,2006-08-18 This book constitutes a pioneering and unique work on Lake Victoria. It is the world's second largest fresh-water lake and supports the livelihood of more than 30 million people. Surprisingly, there has been no comprehensive book addressing its problems and potentials. Ecology, environmental pollution and resource management are some of the issues addressed by this comprehensive insight into the limitations, challenges and opportunities facing Lake Victoria.

As You Desire Connie Brockway,2019-03-05 A rake in tarnished armor... Desdemona Carlisle has spent most of her young life dreaming of a knight in shining armor. When a dashing figure in midnight-black riding a snow-white steed comes to rescue her from the ruffians who have kidnapped her, she believes her destiny has finally arrived. She surrenders herself to the masked stranger's embrace only to discover her rescuer is none other than Harry Braxton, the scoundrel who stole her heart when she was just a girl, adding it to his collection of exotic treasures as if it were just another trinket. Harry Braxton doesn't want to be any woman's knight-errant. He plays the role of notorious rake to hide the dangerous secret that has kept him from offering Desdemona his own heart. But his tarnished armor soon begins to crumple beneath the irresistible assault of Desdemona's sparkling wit, her dazzling beauty, her teasing and tender touch. As a legendary treasure hunter, he never dreamed he'd be forced to give up the most priceless treasure of all. When Lord Ravenscroft, Harry's aristocratic cousin, comes courting, Desdemona makes a startling discovery. She might yearn for a hero, but what she really needs is a man—the only man who can fulfill all of her desires... “Connie Brockway's work brims with warmth, wit, sensuality and intelligence.”—Amanda Quick, New York Times bestselling author “If it's smart, sexy, and impossible to put down, it's a book by Connie Brockway!”—Christina Dodd, New York Times bestselling author “If you're looking for passion, tenderness, wit, and warmth, you need look no further. Connie Brockway is simply the best.”—Teresa Medeiros, New York Times bestselling author “Connie Brockway's work belongs on every reader's shelf!”—Romantic Times “Connie Brockway delivers romance with strength, wit, and intelligence.”—Tami Hoag, New York Times bestselling author “Brockway's lush, lyrical writing style is a perfect match for her vivid characters, beautiful atmospheric setting, and sensuous love scenes.” — Library Journal

Global Re-introduction Perspectives Pritpal S. Soorae,2010 This is the second issue in the Global Re-introduction Perspectives series and has been produced in the same standardized format as the previous one. The case-studies are arranged in the following order: Introduction, Goals, Success Indicators, Project Summary, Major Difficulties Faced, Major Lessons Learned, Success of Project with reasons for success or failure. For this second issue we received a total of 72 case-studies compared to 62 in the last issue. These case studies cover the following taxa as follows: invertebrates (9), fish (6), amphibians (5), reptiles (7), birds (13), mammals (20) and plants (12) ... We hope the information presented in this book will provide a broad global perspective on challenges facing re-introduction projects trying to restore biodiversity.--Pritpal S. Soorae.

Conservation of Natural and Cultural Heritage in Kenya Anne-Marie Deisser,Mugwima Njuguna,2016-10-07 In Kenya, cultural and natural heritage has a particular value. Its pre-historic heritage not only tells the story of man's origin and evolution but has also contributed to the understanding of the earth's history: fossils and artefacts spanning over 27 million years have been discovered and conserved by the National Museums of Kenya (NMK). Alongside this, the steady rise in the market value of African art has also affected Kenya. Demand for African tribal art has surpassed that for antiquities of Roman, Byzantine, and Egyptian origin, and in African countries currently experiencing conflicts, this activity invariably attracts looters, traffickers and criminal networks. This book brings together essays by heritage experts from different backgrounds, including conservation, heritage management, museum studies, archaeology, environment and social sciences, architecture and landscape, geography, philosophy and economics to explore three key themes: the underlying ethics, practices and legal issues of heritage conservation; the exploration of architectural and urban heritage of Nairobi; and the natural heritage, landscapes and sacred sites in relation to local Kenyan communities and tourism. It thus provides an overview of conservation practices in Kenya from 2000 to 2015 and highlights the role of natural and cultural heritage as a key factor of social-economic development, and as a potential instrument for conflict resolution

Detached: Surviving Reactive Attachment Disorder Jessie Hogsett,2011-09 This is my story a young boy's journey, and the many hurdles I had to get through in order to overcome Reactive Attachment Disorder. It is a story of sadness, anger, frustration, courage and finally hope! The courage to fight through and continue to defy the odds that were set in place. You will travel back in time to see a young child's life, a child who experienced first hand abuse, neglect, feeling alone, and ending up in a residential treatment facility. Then, against all odds, I witnessed miracles that I never thought possible. You will see how hope, determination and making tough choices proved in the end to be the ultimate healing tools.

Units of Weight and Measure L. J. Chisholm,1967 The primary purpose of the publication is to make available the most often needed weights and measures conversion tables--conversions between the U.S. Customary System and International (Metric) System. A secondary purpose is to present a brief historical outline of the International (Metric) System--following it from its country of origin, France, through its progress in the United States.

Life to Those Shadows Noël Burch,1990-11-21 Noel Burch's new book is a critique of the assumptions underlying 'classical' approaches to film history: the assumption that what we call the language of film was a natural, organic development, that it lay latent from the outset in the basic technology of the camera, waiting for the prescient pioneers to bring it into being; and the assumption that this language was a universal, neutral medium, innocent of any social or historical meaning in itself. His major thesis is that, on the contrary, film language has a social and economic history, that it evolved in the way it did because of when and where it was constructed -- in the capitalist and imperialist west between 1892 and 1929. The book examines the chronology of the emergence of what it defines as cinema's Institutional Mode of Representation and the socio-historical circumstances in which this took place. It examines the principles of visualisation -- camera placement and movement, lighting, editing, mise-en-scene -- that film-makers and audiences came to internalize over the first three decades. Special emphasis is laid on the allimportant change that occurred in the imaginary placing of the spectator, from a position of exteriority to the film image, implicit in both film-form and viewing conditions during the primitive era (pre-1909), to the imaginary centering of the spectator-subject, completed only with the generalisation of lip-synch sound after 1929. It is the contention of this book

that this imaginary centering of a sensorily isolated spectator is the keystone of the cinematic illusion of reality, still achieved today by the same means as it was sixty years ago.

Actinobacteria Dharumadurai Dhanasekaran,Yi Jiang,2016-02-11 This book presents an introductory overview of Actinobacteria with three main divisions: taxonomic principles, bioprospecting, and agriculture and industrial utility, which covers isolation, cultivation methods, and identification of Actinobacteria and production and biotechnological potential of antibacterial compounds and enzymes from Actinobacteria. Moreover, this book also provides a comprehensive account on plant growth-promoting (PGP) and pollutant degrading ability of Actinobacteria and the exploitation of Actinobacteria as ecofriendly nanofactories for biosynthesis of nanoparticles, such as gold and silver. This book will be beneficial for the graduate students, teachers, researchers, biotechnologists, and other professionals, who are interested to fortify and expand their knowledge about Actinobacteria in the field of Microbiology, Biotechnology, Biomedical Science, Plant Science, Agriculture, Plant pathology, Environmental Science, etc.

When You Were Mine Kate Hewitt,2020-10-19 “OMG I couldn’t put this one down. It was just that good... Definitely a tear jerker... Touched my heart so deeply and will affect me on some level for many years to come.” Blue Moon Blogger ￼￼￼￼ Mother-of-two, Ally has always dreamed of fostering—it feels like her chance to give back when she has been so lucky in life. And when seven-year-old Dylan joins her family in their big suburban home, Ally is overwhelmed by love. But Dylan doesn’t speak and Ally isn’t prepared for the impact he has on her family. Each day has its struggles, but she would never give up on the child now in her care. Dylan’s mother, Beth, can’t forgive herself for losing her son. He’s her world and she’ll do whatever it takes to get him back. Everything is different now, and he belongs with her. With his whole life at stake, which mother can truly give Dylan the love, security, and home he deserves? Which mother can help him find his voice? Beth and Ally sit on opposite sides. Two mothers, both desperate to do what is best for Dylan, but neither able to imagine their lives without him... A beautiful, powerful and ultimately uplifting story about the heartbreaking power of motherly love, for fans of Diane Chamberlain, Jodi Picoult and Jojo Moyes. Praise for When You Were Mine: “My poor heart will never be the same. A hole’s been punched straight through it. This is an incredible book... I cried so much... My eyes are still sore... This will stay with me for a long time.” The Book Lover’s Boudoir ￼￼￼￼ “With this heartwarming and at times heart-wrenching drama Kate is hot on the heels of the likes of Jodi Picoult and Kelly Rimmer... Tearjerking.” Rachel M Writer ￼￼￼￼ “To say this story is a five-star read is an understatement. There are not enough stars in the world to show how much this book has touched me. It is sad, thrilling, gripping and completely pulls on your heart strings. Beautifully written.” Goodreads reviewer ￼￼￼￼ “This amazing book packs an emotion punch!... I could not put this down. I found myself originally on the side of one character, then the other. Both sides absolutely tear at your heartstrings... A must read.” Goodreads reviewer ￼￼￼￼ “Heart-breaking... I was completely engrossed... an incredibly moving story that tugs at the heartstrings... When I wasn’t reading I was thinking about it... A beautifully-written story with a perfect ending that will stay in my thoughts for a long time.” NetGalley reviewer ￼￼￼￼ “Kate Hewitt does a brilliant job portraying the best and hardest moments of being a mother... Sure to touch your heart, make you reach for Kleenex, and bring you insurmountable joy... Will resonate within your soul long after you finish reading it... One of those books that you never forget!” The Reading Snug ￼￼￼￼ “Had me in bits from the beginning... [It is] like you are actually living the lives of the characters and once you have finished the books, you will not forget them!” Stressed Rach ￼￼￼￼ “This book breaks your heart in pieces one by one and then slowly puts them back together again... Read this one in two sittings. I couldn’t put it down.” Goodreads reviewer ￼￼￼￼ “Kate Hewitt has wrecked me... Such a heartbreaking story... What is best for a child?... I cannot recommend this book any harder... Amazing.” Sinfully Wicked Book Reviews ￼￼￼￼

The Natural Genesis (Two Volumes in One) Gerald Massey,2011-12-01 Egyptologist Gerald Massey challenged readers in A Book of the Beginnings to consider the argument that Egypt was the birthplace of civilization and that the widespread monotheistic vision of man and the metaphysical was, in fact, based on ancient Egyptian mythos. In The Natural Genesis, presented here in an omnibus edition, Massey delivers a sequel, delving deeper into his compelling polemic. In Volume I, he offers a more intellectual, fine-tuned analysis of the development of society out of Egypt. From the simplest signs (numbers, the cross) to the grandest archetypes (darkness, the mother figure), Massey carefully and confidently lays the cultural and psychosocial bricks of evolutionism. Volume II provides detailed discourse on the Egyptian origin of the delicate components of the monotheistic creed. With his agile prose, Massey leads an adventurous examination of the epistemology of astronomy, time, and Christology-and what it all means for human culture. British author GERALD MASSEY (1828-1907) published works of poetry, spiritualism, Shakespearean criticism, and theology, but his best known works are in the realm of Egyptology, including The Book of the Beginnings, The Natural Genesis, and Ancient Egypt: The Light of the World.

Marmaduke Pickthall Peter Clark,Professor of European Urban History Peter Clark,2016-05-20 Marmaduke William Pickthall, born in 1875 London to Mary O'Brien and the Reverend Charles Grayson Pickthall, is remembered-if he is remembered at all-as a translator of the Qur'an. The fact that a practicing English Christian would convert to Islam and become a renowned translator of the holiest of Muslim texts during years of volatile relations between Britain and the Ottoman Empire is itself exceptional. Yet Pickthall was much more than an historical oddity or gifted translator: he was a novelist, journalist, political and religious leader, and an often confusing mix of allegiances and beliefs. Marmaduke Pickthall: British Muslim is an examination of his ideas and writings. For twenty years of Pickthall's adult life, he was a devout Christian, and for the last twenty years he was a devout Muslim. Peter Clark's book raises issues of Muslim and national identity. Pickthall wrote much about Islam which he saw as an open, tolerant and progressive religion. A reissue of the book is a timely and authoritative contribution to current debates.
