A Brief History of Safety Harbor, Florida Warren Firschein,Laura Kepner,2013-10-22 According to legend, Spanish explorer Hernando de Soto arrived on the shores of Safety Harbor in 1539 believing that he had discovered the fabled Fountain of Youth. For centuries, the area's natural mineral springs had hosted the Tocobaga people and would later attract early pioneers to west-central Florida. The natural mineral springs drew visitors to bathe in their restorative waters, and in the twentieth century, they were eventually transformed into the world-famous Safety Harbor Resort and Spa, enjoyed by wealthy socialites and professional athletes for decades. Today, the city is best known for its abundance of festivals and the collection of artists, writers, poets and musicians who call it their home--an oasis of calm within bustling Pinellas County. Join authors Warren Firschein and Laura Kepner as they detail the vibrant history of scenic Safety Harbor.

Kustom Japan Michael McCabe,2008-06 California popular culture has deeply impacted the world throughout the 20th century, and the East/West dialog provides inexhaustible ground for inspiration. Today, the cultural stylizations of hot rod and kustom culture are part of a nostalgic mystique that is being adopted by a growing number of young people in Japan, who see Kustom Culture as transcendent, powerful, and most importantly, defining. The Japanese visionaries represented in this book continue to embrace, digest, perfect and transform powerful sub- and mainstream realms of expression. Mike McCabe (TM)s photographs and words are a fresh and amazing testament to this process of reinvention. * Bilingual English and Japanese

Gio Swaby ,2022-04-12 Accompanied by a traveling exhibition, this book on the Bahamian artist’s textile portraits serves as a love letter to Black women: their style, strength, vulnerabilities, and beauty. This debut of the 29-year-old Bahamian-born artist aims to redefine the often-politicized Black body, with portraits made in a range of textile-based techniques, such as embroidery and appliqué, celebrating Black women. Gio Swaby’s intimate portraits are unique, highly personal figurative works made from an array of colorful fabrics and intricate, freehand lines of thread on canvas that explore the intersections of Blackness and womanhood. Illustrated with 80 works in full color that span from 2017 to 2021, this is the first book on this contemporary feminist artist who is a rising star in the world of textiles and portraiture. According to Swaby, “I wanted to create a space where we could see ourselves reflected in a moment of joy, celebrated without expectations, without connected stereotypes.” Writers and scholars with multiple points of view take on Swaby’s work and delve into her place within contemporary Black art.

Themes as diverse as portraits of royal women, sub-imperial patronage of temples, word-image relationship, the lapidary arts and the Imperial Library of the Mughals, a reconsideration of Mughal garden typologies, murals painted on architectural surfaces, the textile culture of the city of Burhanpur, changes in visual language and content of painting, and Imperial objets d'art have been discussed, challenged and analyzed. The final three articles are groundbreaking comparisons across Ottoman, Safavid and Mughal spheres. This beautifully illustrated book is sure to appeal to c
