**Thelwell's Pony Cavalcade** Norman Thelwell,2017-04-17  
Little girls. Fat hairy ponies. Hook-nosed riding teachers, riders on backward, and horses gone madly off course. The artist Norman Thelwell published his first pony cartoon in 1953, and quite by accident, his name became synonymous with these kinds of images. The response was instantaneous, he wrote in his autobiography. Suddenly I had fan mail...I dreamed up some more horsey ideas and people went into raptures. The Thelwell pony soon became the most-often referenced source of horse-humor the world over. In 1957, Thelwell's first collection of pony cartoons, Angels on Horseback, was published, followed by A Leg at Each Corner in '61, and Riding Academy in '63. In this Anniversary Special Collection, readers get all three classics, featuring page after page of Thelwell's hilarious cartoons along with his often blisteringly accurate advice for survival in and around the equine herd. Whether audiences open Pony Calvacade out of nostalgia or curiosity, the delightful details of Thelwell's illustrations and timeless wit of his caricatures and asides are a surefire way to change a day for the better, and certain to send a new generation of fat-hairy-pony-lovers out to the barn to test the truths within.

**I Guarantee It** George Zimmer, 2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: "I guarantee it." Zimmer rode his promise to lead the Men's Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, *I Guarantee It* recounts the journey of Zimmer's rise, the fall of the Men's Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: "I guarantee it," he said, and it was ironclad. By the millions, customers walked into The Men's Wearhouse stores in all fifty states and Canada, where they received "quality, service, and a good price," where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men's specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a

merchant, an entrepreneur, a pitchman for the ages. Zimmer's ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed the Golden Rule. It's a story that will teach and inspire. He guarantees it.

The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Horse Pussy Anon Ymous, 2020-01-12 This book was written in a week by a large (and unknown) number of anonymous writers who banded together on a thread on the /mlp/ (pony) board of the site 4chan. It is a collection of many stories ranging from over 100 pages long to as short as half a page. What's fascinating about this

book is that there were no rules with regard to what could be included in it. As a result, there are vomit-inducing sections of the book, as well as subtle romances, racist sections, anti-racist sections, rape scenes, wholesome scenes, and philosophical sections, all of which may even occur at the same time. It's a miracle of anarchy how so many people were brought together to write this ~42500-word book over the internet without having any previous connection with each other, other than sharing the same community (that being the My Little Pony community).

**\*\*Overview of story #1 (Horse pussy):** The misadventures of a man named Anon as he goes around the land of Equestria (from the show My Little Pony: Friendship is Magic) and gets himself into a variety of scenarios, which include: Questing for the opinion of Dante (from the Devil May Cry series) with regard to the famous Pringles brand of chips, Getting raped by Luna (de facto god of the night and dreams) and her kilometre long cock, Turning black (literally sucking and trapping light in his body), uncontrollably ejaculating, and much more.

**\*\*Overview of story #2 (Equilibrium):** About Anon and his mission to ejaculate in a box at the same rate as someone else drinks it, and the consequences of such an action if it is sustained over a period of centuries.

**\*\*Overview of story #3 (Pure Pain):** The misadventures of Anon as he gets thrown around the universe which results in him getting castrated, doing 9/11, and many other interesting things.

**\*\*Overview of story #4 (Hideo Kojima and pony adventures):** No idea. Hideo Kojima (Actual Video Game designer) pushes Twilight Sparkle (from the My Little Pony series) to play console games or something. It ends with Then Celestia farted on my pp.

**\*\*Overview of story #5 (What did they mean by this):** A seemingly historical word war 1-esque setting with the characters Twilight Sparkle and Trixie getting ready to jump off a plane. Involves 2pac somehow. They get raped mid-air and become half Mexicans.

**\*\*Overview of story #6:** Anon sits in a ball pit and speaks to Luna on philosophical and ethical topics regarding God, the current state of America, and capitalism. Many

more stories are included in this book. These six summaries were just a taste of what the book consists of. If you are sensitive to these topics, it is best that you do not read this book. Keep in mind this is a transformative work. Almost none of the characters, images, references, or intellectual property within the stories (not counting the stories themselves) belong to the writers of this book. This book, essentially, is one giant, semi-organized shitpost. Here's the original, unaltered document:
