Lame Deer, Seeker of Visions Lame Deer,Richard Erdoes,1994-10 Lame Deer Storyteller, rebel, medicine man, Lame Deer was born almost a century ago on the Rosebud Reservation in South Dakota. A full-blooded Sioux, he was many things in the white man's world -- rodeo clown, painter, prisoner. But, above all, he was a holy man of the Lakota tribe. Seeker of Vision The story he tells is one of harsh youth and reckless manhood, shotgun marriage and divorce, history and folklore as rich today as ever -- and of his fierce struggle to keep pride alive, though living as a stranger in his own ancestral land.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Brothel Alexa Albert,2011-11-09 What began as a public-health project by a Harvard medical student evolved into an intimate, ambitious, six-year study of the brothel ecosystem and a book that puts an unforgettable face on America's maligned and caricatured subculture. "A fascinating glimpse into a hidden lifestyle.... It's an instantly gratifying page-turner.... It emerges as a personality-filled memoir about an unforgettable group of women. —Seattle Weekly Not a single legal prostitute in Nevada had contracted HIV since testing began in 1986. Why? Harvard medical student Alexa Albert traveled to Nevada in search of answers. Gaining unprecedented access to the infamous and notoriously secretive Mustang Ranch, Albert reveals a fascinatingly insular world where the women share their experiences with unexpected candor. There's Dinah, Mustang's oldest prostitute, who turned her first trick years ago at age fifty-one. And Savannah, a woman who views her work as a "healing" social service for needy men. Nevada's legal brothels are an incredibly rich environment for examining some of this nation's thorniest social issues. From problems of class and race to the meaning of family, honor, and justice—all are found within this complex and singular microcosm. And in a country where prejudice is a dirty word—but not as dirty as hooker—these social issues are compounded and deepened by the stifling stigma that has always plagued the profession. But in the end, all of Mustang's working girls are just women trying to earn their way to happiness. Brothel is a landmark work that probes beyond the veil of desire and fantasy in which the sex trade shrouds itself—and uncovers the naked humanity at its core.
