The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.

Unchained Mind Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts.

We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

Apocalypse Jacques Ellul, 2020-05-05 “There has never been a book provoking more delirium, foolishness and irrational movements, without any relationship to Jesus Christ [than the Book of Revelation].” —Jacques Ellul, Introduction Known for his trenchant critique of modernity and of those Christians who celebrate their captivity to it, Ellul here cuts to the heart of the theological intention of the Book of Revelation, and thereby reveals the liberating gospel in all its offensiveness. Neither an exhaustive commentary nor a work of historical-exegetical analysis, *Apocalypse* is a provocative, independent interpretation. Ellul seeks to rescue Revelation from the reassuring and orthodox banality to which commentators often reduce it. The goal is to perceive the totality of the book in its movement and structure. “Architecture in movement” is the key to understanding Revelation’s puzzling but simple message. This edition also comes with a new foreword by Jacob Marques Rollison who provides an essential aid for guiding readers through Ellul’s thorough engagement with Revelation.

Dear Black Girls Shanice Nicole, 2021-02-08 Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

Cliff Jump Brandice Daniel, 2022-02-22 Cliff Jumping is my passion because without the jumps, my life would look totally different. I wouldn't have a successful company, live in New York, be featured on the Drew Barrymore show, have a deal with Nike, or living out my dream. My life would be full of regrets, what ifs, and a nagging feeling that there was better for me. I can easily recall having a college degree and working part-time in the local mall in Memphis, TN and working for a temp service filing papers! I knew there was more for me, but my life kind of putted along until I started to cliff jump. My first major jump was deciding to move from Memphis to New York without having the path totally figured out. Then, it was deciding to do a big event in Harlem knowing I did not have the experience people thought I needed to pull it off. From there, the cliff jumps started to snowball. It included putting down a deposit on an \$85,000 venue but not knowing where the rest of the money would come from. That move resulted in my first sponsorship from Target. A cliff jump landed me in Portland, OR sitting in a board room full of Nike executives sharing my story and launching a collaboration on a sneaker for LeBron James. I could not have imagined owning a multi-million dollar company that has partnerships with major corporations. If I had played it safe and followed the status quo, my life would be quite different. My faith plays a major part in cliff jumping, so before you dive in, know that cliff jumping is taking a step of faith. To understand cliff jumping, you must know what it is not. Cliff jumping is NOT: - Moving without a plan - Acting on impulse - Putting your family and kids in harm's way - Taking an action without calculating the cost - Jumping without the work ethic to see it through I believe in planning and creating clear goals. Cliff jumping without either will leave you under the covers in tears. Trust me, I know. I've tried it several times and it's not fun. We will plan, but we will jump! Are you ready?
