*Air Force Gator* Dan Ryckert,2012-11-13 With a storied military pedigree and unmatched war record, Air Force Gator achieved worldwide fame and legendary status among his peers. After falling into a years-long depression fueled by booze and pills, the alligator pilot is inspired to clean up his act and return to action after the tragic events of September 11th. When a former partner goes off the grid and threatens to shake the foundations of the United States, Air Force Gator is forced to return from the Middle East to face him head-on. Can Air Force Gator stop his old partner Gustav, or will the dastardly crocodile's plan for a reptilian revolution succeed?

The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, The Return of the Mother is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. The Return of the Mother offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the

transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

*Record of Lodoss War: The Grey Witch* Ryo Mizuno, 2018-03-22 ' Thirty years after the Demon Wars, peace has returned to the land of Lodoss—but darkness looms. After defending his village against a horde of goblins, a headstrong young warrior named Parn sets out on a quest to restore his father's honor and save the realm. Joining Parn are Deedlit the high elf, Slayn the wizard, Etoh, a

fledgling priest, Ghim, a grizzled dwarven warrior, and Woodchuck, a wily thief. Along their journey, Parn and his companions discover an evil witch who, for eons, has been manipulating events from the shadows. Can this ragtag party of heroes defeat the all-powerful Grey Witch and prevent Lodoss and its kingdoms from descending into total chaos and destruction? '

Chobits 20th Anniversary Edition, Volume 1 Cathy L. Clamp, 2020-06-09 If you've never experienced this unique, cute sci-fi romance about what it means to be human, now's your chance! One of the biggest hits from CLAMP, creators of *xxxHOLiC* and *Magic Knight Rayearth*, returns in a definitive, hardcover premium collector's edition, featuring a large size, premium paper, color pages, and more. After moving from the countryside into the big city, poor college student Hideki Motosuwa finds himself down on his luck. All he wants is a good job, a girlfriend, and his very own "persocom" – the latest and greatest in humanoid computer technology. Hideki's luck changes one night when he finds Chi – an adorable, but seemingly broken, persocom thrown out in a pile of trash. After taking her home, Hideki discovers that Chi is more responsibility than he expected – and that there's much more

to his cute new persocom than meets the eye.

**My Darkest Years** James Bachner,2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a

concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.
