Leprechauns Bob Curran,2019-02-12 Explore the magic, mischief, and mystery behind Ireland’s most iconic and beloved mythical creature: the leprechaun. Leprechauns have been at the heart of Irish culture for years, capturing our hearts and minds alike—but how much do we really know about the leprechaun, anyway? Often depicted as a little bearded man who partakes in mischief, no one knows if he is a fallen angel, diminished god, or son of fairies? What does he do all day? And what’s the story behind that hidden pot of gold? In *Leprechauns*, prominent folklorist Bob Curran looks at the origins of this hero of Irish lore. He explores the superstitions surrounding the leprechaun and his enduring place in popular culture, and turns the spotlight on the “real” leprechaun—enigmatic, complex, and contradictory. The perfect read for St. Patrick’s Day—or any time you wish to delve into the thrilling world of a timeless legend—*Leprechauns* is an essential addition to the collection of all lovers of myth and folklore.

Leprechauns Katie Griffiths,2015-07-15 Leprechauns are part of Ireland’s mysterious fairy folk. Through centuries of history and storytelling, they have evolved into today’s modern leprechauns. This book explores the history of leprechauns through the fairy tales and legends that created them, as well as discusses their place in today’s society and whether or not they ever truly existed.

The Leprechaun K. B. Enterline,2021-01-11 The leprechaun is a very small mythical person who lives in the grasses and marshes of Ireland. A mischievous troublemaker, he likes to sneak around and make himself at home. On one special St. Patrick’s Day, the leprechaun visits the house of a family in the United States. He hides beneath a chair and plays tricks along the way. Then, when he decides to take a nap in someone’s bed, some treats fall out of his cap and get left behind for the children to enjoy. Meanwhile, there’s a rainbow in the sky outside; maybe there will be a pot of gold left there at the end for someone in the family to find. And when the day is done, the leprechaun makes his way back to Ireland, where he’ll stay until the next St. Patrick’s Day.

The Leprechaun Companion Niall Macnamara,2003-03 Leprechauns are an integral part of Irish mythology, featuring in many folk tales and legends. Their short temper and stature, renowned skill as shoemakers and tinkers and wizened features have fascinated mankind for centuries. Now *The Leprechaun Companion* provides the first fully comprehensive guide to their secret world, revealing helpful hints on how to deal with leprechauns, what to say (and not to say), and how to find their crocks of gold. Among many other intriguing insights, *The Leprechaun Companion* looks at: - Leprechaun fashion, and what the well dressed leprechaun will be wearing this year. - Keeping hold of your leprechaun when you have caught it. - Female leprechauns and their place in Leprechaun society. - Leprechaun magic, and how humans can learn from them. The beautiful and intricate illustrations by Wayne Anderson illustrate every aspect of the Irish faery world, showing the various types of leprechaun and their distinguishing marks. This enchanting book will appeal to anyone who has ever been walking down a quiet country lane and thought they heard the tap, tap, tap of a faery hammer.
