Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

In his picture book debut, the founder of the hugely successful Uglydolls franchise has created an irresistible new children's book character. With bold graphic art and hilarious, simple text, this book will have young readers recognizing -- and laughing at -- their own bossy tendencies.

Icons Unmasked Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense déjà vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

A sadistic serial killer is on the loose and it's up to Agents Nagawa and Nakiko to find him before he kills again. But this killer is as twisted as they come. Before every murder he announces exactly where and when the murder will take place. The question is, can they get there on time! The result is a series of cat and mouse chases unlike any you've ever seen! If you love murder/mysteries, sci-fi and action, then you'll love Darkminds: Macropolis. With stunning art from Jo Chen and suspense-filled writing from Chris (Transformers) Sarracini, this is a series you can't miss! This TPB collects ISSUES 1-4 of the current 8-issue mini-series. A perfect starting point for anyone looking to jump onboard this fantastic series! Detectives Nagawa and Nakiko have seen it all, solving some of the most difficult and horrific cases the city of Macropolis has ever seen. A serial killer would be crazy to tempt fate in their town. Too bad serial killers are crazy. Daarkminds: Macropolis delivers us to a manga-inspired techno-noir future where crime has advanced right alongside technology. Our stalwart detectives will face a challenge like they've never encountered before - a murderer who wants to play with them. But what kind of person has the guts to challenge the best, and how far will he go to prove a point? Written by Chris Sarracini (Transformers G1, Fate of the Blade) and featuring beautifully rendered art by Jo Chen & Christina Chen, Darkminds: Macropolis contains issues #1-4 of the thrilling series. Also covers, and interviews with the creative team.
