One Tribe at a Time Jim Gant, 2014-03-26 Major Jim Gant, a man seen by many of us as the 'perfect insurgent,'--an inspiring, gifted, courageous leader... -- GENERAL DAVID H. PETRAEUS (U.S. Army, Ret.) THE PAPER THAT ROCKED OSAMA BIN LADEN Team members during the May 2, 2011 U.S. military raid that killed Osama Bin Laden seized piles of Al Qaeda intelligence. One piece of evidence found in Bin Laden's personal sleeping quarters was an English language copy of Jim Gant's One Tribe at a Time. It contained notes in the margins consistent with others identified as written by Osama Bin Laden. A directive from Osama Bin Laden to his intelligence chief was also discovered. It identified Jim Gant by name as an impediment to Al Qaeda's operational objectives for eastern Afghanistan. Bin Laden ordered that Gant be assassinated. [One Tribe at a Time] was hugely important...at a time when I was looking for ideas on Afghanistan...[Gant] was the first to write it down, in a very coherent fashion, very readable, very encouraging frankly...and there is enormous power in that. --General David H. Petraeus (U.S. Army, Ret.) quoted in American Spartan: The Promise, The Mission, and The Betrayal of Special Forces Major Jim Gant by Ann Scott Tyson Washington Post reporter Ann Scott Tyson read One Tribe at a Time, and - informed by her combat experience in Afghanistan and Iraq and her eight years as a reporter in China - she realized that Jim's paper made sense. She decided to write a story about Jim entitled, Jim Gant, the Green Beret who could win the war in Afghanistan. After the article appeared in January 2010, as Jim was in Washington, D.C., attending Pashto language training, he met Ann and the two fell in love. She followed his mission in

Afghanistan and wrote *AMERICAN SPARTAN: The Promise, the Mission, and the Betrayal of Special Forces Major Jim Gant*.

Making and Sharing the Space Among Women and Men Maria Ericson, 2007-01-01 This book explores how contemporary notions of reconciliation as a process of building, rebuilding and transforming relationships in the pursuit of a 'just peace', or God's shalom, may be applied not only to 'race', but also to gender relations in post-apartheid and post-TRC South Africa. After highlighting links between the past, the present and the future with regard to such relations in wider South African society, critical questions are asked about the churches as spaces and agents of a gender-inclusive shalom.

American Spartan Ann Scott Tyson, 2014-03-25 Lawrence of Arabia meets Sebastian Junger's War in this unique, incendiary, and dramatic true story of heroism and heartbreak in Afghanistan written by a Pulitzer Prize-nominated war correspondent. Army Special Forces Major Jim Gant changed the face of America's war effort in Afghanistan. A decorated Green Beret who spent years in Afghanistan and Iraq training indigenous fighters, Gant argued for embedding autonomous units with tribes across Afghanistan to earn the Afghans' trust and transform them into a reliable ally with whom we could defeat the Taliban and counter al-Qaeda networks. The military's top brass, including General David Petraeus, commander of U.S. Forces in Afghanistan, approved, and Gant was tasked with implementing his controversial strategy. Veteran war correspondent Ann Scott Tyson first spoke with Gant when he was awarded the Silver Star in 2007. Tyson soon came to share Gant's vision, so she accompanied him to Afghanistan, risking her life to embed with the tribes and chronicle their experience. And then they fell in love. Illustrated with dozens of photographs, *American Spartan* is their remarkable story—one of the most riveting, emotional narratives of wartime ever published.
