Asian Comics John A. Lent,2015-01-05 Grand in its scope, Asian Comics dispels the myth that, outside of Japan, the continent is nearly devoid of comic strips and comic books. Relying on his fifty years of Asian mass communication and comic art research, during which he traveled to Asia at least seventy-eight times and visited many studios and workplaces, John A. Lent shows that nearly every country had a golden age of cartooning and has experienced a recent rejuvenation of the art form. As only Japanese comics output has received close and by now voluminous scrutiny, Asian Comics tells the story of the major comics creators outside of Japan. Lent covers the nations and regions of Bangladesh, Cambodia, China, Hong Kong, India, Indonesia, Korea, Malaysia, Myanmar, Nepal, the Philippines, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam. Organized by regions of East, Southeast, and South Asia, Asian Comics provides 178 black-and-white illustrations and detailed information on comics of sixteen countries and regions—their histories, key creators, characters, contemporary status, problems, trends, and issues. One chapter harkens back to predecessors of comics in Asia, describing scrolls, paintings, books, and puppetry with humorous tinges, primarily in China, India, Indonesia, and Japan. The first overview of Asian comic books and magazines (both mainstream and alternative), graphic novels, newspaper comic strips and gag panels, plus cartoon/humor magazines, Asian Comics brims with facts, fascinating anecdotes, and interview quotes from many pioneering masters, as well as younger artists.

Bowler's Name? Tom Hicks,2021-04-19 Bowler's Name is a tale of a life in cricket's margins. Tom Hicks is no household name, but he often rubbed shoulders with cricketing royalty, going from the village green to walking out as captain at Lord's. As an ambitious youngster, Hicks dreamed of reaching the top. But trying to make it big and balance the demands of university, family, a full-time job and a penchant for post-match fun was no easy feat. Settling for an unglamorous life as a minor county player, cricket took him to all corners of the country, and then across the globe, getting an insight into the nether regions of a cricketing world that was rapidly vanishing. Through the eyes of a cricket nut, Bowler's Name takes us on a journey of success, failure, hilarity and often sheer madness. If you've ever wondered what it's like to face 90mph bowling, to have lunch with Mike Gatting or to infiltrate an England post-match party, Hicks is your man. Bowler's Name is for fans of cricket idiosyncrasies, lovers of the underdog and anyone who has tried and failed.

The Cremation of Sam McGee Robert Service,2013-03-01 In 1986 Kids Can Press published an edition of Robert Service's "The Cremation of Sam McGee" illustrated by painter Ted Harrison, who used his signature broad brushstrokes and unconventional choice of color to bring this gritty narrative poem to life. Evoking both the spare beauty and the mournful solitude of the Yukon landscape, Harrison's paintings proved the perfect match for Service's masterpiece about a doomed prospector adrift in a harsh land. Harrison's Illustrator's Notes on each page enhanced both poem and illustrations by adding valuable historical background. Upon its original publication, many recognized the book as an innovative approach to illustrating poetry for children. For years The Cremation of Sam McGee has stood out as a publishing landmark, losing none of its appeal both as a read-aloud and as a work of art. Kids Can Press proudly publishes this deluxe hardcover twentieth anniversary edition --- complete with a spot-varnished cover, new cover art and heavy coated stock --- of a book that remains as entrancing as a night sky alive with the vibrant glow of the Northern Lights.
