Japanese Temari Barbara B. Suess,2022-10-07 Learn How to Make Beautiful Japanese Handballs With little more than a needle and colorful embroidery threads, Barbara Suess shows how to make beautiful Japanese temari-a folk craft dating back to the 12th century. Crafted from the same silk threads used to weave elegant kimonos, temari balls evolved from playthings for children to an exquisite art form that delights all ages. Traditional temari incorporates centuries-old beloved patterns embroidered onto a simple handball. In Japanese Temari, Barbara Suess shares the secrets of making temari balls passed down through generations. Showcased in beautiful color photographs are 24 designs, starting with a simple pattern that can be completed in an hour or less. For every design, color drawings show exactly what to do. Each design introduces a new level of skill, allowing you to build your temari repertoire as you work through the book. Made as gifts or as elegant home decorations, every temari completed will add light and delight to any decor. Suess has thoughtfully included inspirational watercolor drawings and haiku poetry that invite you further inside Japan's unique artistic traditions. Japanese Temari features: ? 24 beautifully embroidered temari designs ? Complete, step-by-step directions and easy-to-follow color drawings ? A ball prep primer ? At-a-glance stitch guides for right and left-handed stitchers ? Zen drawing - a new way to become an artist Michelle Dujardin,2014-07-25 This eBook is derived from the hardcover book called 'the Zen drawing Pack', which was published in October 2014 by Rockpoint publishers and as an eBook called 'The Zen drawing eBook'

by the authors. In this eBook called 'Zen drawing - a new way to become an artist', the authors have put less emphasis on the Zen Buddhism background of Zen drawing and more emphasis on the artistic benefits that can be found by using the techniques described in the hardcover book. For instance by adding a chapter on the use of watercolors and ink. As with all their books on Zen drawing, this eBook is based on the works of Frederick Franck and Betty Edwards. In this eBook artist Michelle Dujardin helps you to awaken your inner artist and add soul to your sketches by ignoring conventional drawing techniques and focus on really seeing your subject. Michelle helps you achieve a meditative state just by changing the way you see a subject, and allow your hands to follow the movement of your eyes. When you trust your own drawing reflex, the art that you create will become more expressive and beautiful than what you've done before. Not great with a pencil? Don't worry, everyone can learn to draw this way and you don't need any special talent or class. For any level of artist, from a beginner with little talent to an illustration expert, Zen drawing is not about making perfect pictures, it is about the experience of drawing, finding inspiration, and connecting to the world around you.

Early Morning Riser Katherine Heiny, 2021-04-13 Alternately bittersweet and laugh-out-loud funny, a wise, bighearted novel of love, disaster, and unconventional family—from the acclaimed author of *Standard Deviation*, who has been called the literary descendant of Jane Austen, sharing Austen's essentially comic world view (NPR). Jane falls in love with Duncan easily. He is charming, good-natured, and handsome but unfortunately, he has also slept with nearly every woman in Boyne City, Michigan. Jane sees Duncan's old girlfriends everywhere—at restaurants, at the grocery store, even three towns away. While Jane may be able to come to terms with dating the world's most prolific seducer of women, she wishes she did not have to share him quite so widely. His ex-wife, Aggie, a woman with shiny hair and pale milkmaid skin, still has Duncan mow her lawn. His coworker, Jimmy, comes and goes from Duncan's apartment at the most inopportune times. Sometimes Jane wonders if a relationship can even work with three people in it—never mind four. Five if you count Aggie's eccentric husband, Gary. Not to mention all the other residents of Boyne City, who freely share with Jane

their opinions of her choices. But any notion Jane had of love and marriage changes with one terrible car crash. Soon Jane's life is permanently intertwined with Duncan's, Aggie's, and Jimmy's, and Jane knows she will never have Duncan to herself. But could it be possible that a deeper kind of happiness is right in front of Jane's eyes? Katherine Heiny's *Early Morning Riser* is her most astonishingly wonderful work to date.
