*Naruto Cookbook* Misty Leah Williamson,2021-04-22 Anyone who loves watching anime has heard of Naruto, even people who do not watch anime have heard of Naruto. If it is not the greatest anime yet, then it is certainly in the top 5 of all times so far. The storyline was topnotch, the characters and every other thing were perhaps perfect.This anime was about a gutsy ninja named Naruto. His name was gotten from the name of a brand of noodles. At birth, his parents died while they were trying to save the village (Konoha) from the strongest of the 9 tailed beasts, Kyuubi. Fortunately for the village, his parents saved the village from the beast but at the cost of their lives.This beast was sealed inside Naruto to prevent it from running wild and when people of the village realized that beast was inside Naruto, they disdained him. The disdain coupled with the loneliness from having no real family caused him to be despondent. However, he went beyond normal limits to ensure that he was acknowledged by everyone in the village and he achieved his aim.

He smokes cigarettes but never touches alcohol. But above all, he enjoys his food! He is The Solitary Gourmet! Each of the thirty-two chapters explores another dish in another restaurant in another part of town - from Tokyo to Tottori, from Osaka to hospital (yes!) and even ventures to an Algerian restaurant in Paris, eating and observing. This volume collects all 32 chapters serialized over two decades (originally in Fusosha's monthly 'Panja' magazine) and includes the special hospital chapter. Like an exquisite meal, this book should be savored over and over again.
