Shuzo Oshimi

Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, *Happiness* follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... *Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic* A page-turning tale of sordid middle school blackmail. -*Otaku USA Magazine* By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, *Flowers of Evil* is a great reminder of my own thirst for power and my own personal corruption. -*Otaku Champloo*
