Payroll Accounting 2015 + Online General Ledger

Bernard J. Bieg, Judith A. Toland, 2014-10-24 Prepare for career success with firsthand experience in calculating payroll, completing payroll taxes, and preparing payroll records and reports. The 2015 edition of Bieg/Toland's market-leading text addresses all of the latest laws on payroll. The text focuses on applications rather than theory, and includes strong end-of-chapter material that reinforces concepts and provides valuable hands-on learning experiences. Numerous detailed examples and real business applications enliven this edition and demonstrate the relevance of the material. An extensive payroll project within the last chapter of the book gives students the opportunity to practice all they have learned, either manually or using Cengage Learning's General Ledger Software (CLGL).

Improving Vocabulary Skills Sherrie L. Nist, 2010 Improving Vocabulary Skills, Fourth Edition, provides an answer to a problem that many students have: they simply don't know enough words. This book will truly help you master 300 important words and word parts. You will see and use these words in a number of different - and interesting- contexts. By working actively with the materials in this book, you are sure to expand your word base.

Expository Apologetics Voddie Baucham Jr., 2015-10-31 Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, Expository Apologetics sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers “a reason for the hope that is in

you."
