Happiness 6 Shuzo Oshimi, 2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo

The Substance of Style Virginia Postrel, 2009-03-17 Whether it's sleek leather pants, a shiny new Apple computer, or a designer toaster, we make important decisions as consumers every day based on our sensory experience. Sensory appeals are everywhere, and they are intensifying, radically changing how Americans live and work. The twenty-first century has become the age of aesthetics, and whether we realize it or not, this influence has taken over the marketplace, and much more. In this penetrating, keenly observed book, Virginia Postrel makes the argument that appearance counts, that aesthetic value is real. Drawing from fields as diverse as fashion, real estate, politics, design, and economics, Postrel deftly chronicles our culture's aesthetic imperative and argues persuasively that it is a vital component of a healthy, forward-looking society. Intelligent, incisive, and thought-provoking, The Substance of Style is a groundbreaking portrait of the democratization of taste and a brilliant examination of the way we live now.

The Broken Covenant of Calebais Mark Rein-Hagen, Jonathan Tweet, 2004-11
Fifty years ago, the covenant of Calebais was destroyed. No one knows how or why such a powerful and well-defended group of wizards could possibly fall. Now the truth behind the tragedy comes to light as you and your friends uncover this mystery. From faerie-inhabited forests to the long-abandoned ruins of a wizardly palace to the inner chambers of a secretive convent, *The Broken Covenant of Calebais* goes to the roots of roleplaying -- to the early days of fantasy stories -- when realism, romance, mystery, and magic were foremost in mind. This revised edition of *The Broken Covenant of Calebais* is the third version of the adventure to be published for *Ars Magica*. *Calebais* was the first adventure published for the First Edition of the game, and was reworked for Second Edition. Now, to coincide with the release of the game's Fifth Edition, this classic has been revised and expanded once more. Although the plot, setting, and atmosphere remain the same, the text has been almost completely rewritten to integrate this classic adventure into the newest and best version of *Ars Magica*.

THE SILVER KEY H. P. LOVECRAFT, 2023-05-25 When Randolph Carter was thirty he lost the key to the gate of dreams. Prior to that time he had made up for the prosiness of life by nightly excursions to strange and ancient cities beyond space, and lovely, unbelievable garden lands across ethereal seas; but as middle age hardened upon him he felt these liberties slipping away little by little, until at last he was cut off altogether. No more could his galleys sail up the river Oukranos past the gilded spires of Thran, or his elephant caravans tramp through perfumed jungles in Kled, where forgotten palaces with veined ivory columns sleep lovely and unbroken under the moon...FROM THE BOOKS.
