H. P. Lovecraft,Robert E. Howard,Arthur Machen,Lafcadio Hearn

The Festival H. P. Lovecraft,2022-10-04 Christmas with the family takes a dark turn in this chilling short story by the acclaimed author of “The Call of Cthulhu”. Beckoned by his family, a man travels to a snowy, seaside Massachusetts town to observe an ancient festival. His family has long celebrated it since the days when it was forbidden. But when he arrives, he notices something is off about this community . . . little details that just don’t add up. What the man witnesses at his family’s house does little to comfort him. Soon he is drawn into a world unlike any he has known, and its sights will haunt him for the rest of his life . . .

Mastering the Core Teachings of the Buddha Daniel Ingram,2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and

insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

The Necronomicon Abdul Al-Hazred, 2015-07-29 The Necronomicon The Book of the Dead. This Book will Swallow your Soul

Witchcraft and Black Magic Montague Summers, 2012-03-16 Historical overview of demonology and the occult defines witchcraft and examines ceremonial practices, the casting of spells and conjuring, celebration of the Black Mass, and much more. A masterfully written, highly readable work.

Emma. Northanger Abbey. Persuasion Jane Austen, 1976

I'm Thinking of Ending Things Iain Reid, 2016-06-14 Jake and a woman known only as The Girlfriend are taking a long drive to meet his parents at their secluded farm. But when Jake takes a sudden detour, leaving The Girlfriend stranded at a deserted high school, the story transforms into a twisted combination of the darkest unease, psychological frailty, and a look into the limitations of solitude.

The New Digital Storytelling Bryan Alexander, 2011-04-07 This book surveys the many ways of telling stories with digital technology, including blogging, gaming, social media, podcasts, and Web video. Digital storytelling uses new media tools and platforms to tell stories. The second wave of digital storytelling started in the 1990s with the rise of popular video production, then progressed in the new century to encompass newer, social media technologies. *The New Digital Storytelling: Creating Narratives with New Media* is the first book that gathers these new, old, and emergent practices in one place, and provides a historical context for these methods. Author Bryan Alexander explains the modern expression of the ancient art of storytelling, weaving images, text, audio, video, and music

together. Alexander draws upon the latest technologies, insights from the latest scholarship, and his own extensive experience to describe the narrative creation process with personal video, blogs, podcasts, digital imagery, multimedia games, social media, and augmented reality—all platforms that offer new pathways for creativity, interactivity, and self-expression.

The Final Girl Support Group Grady Hendrix, 2021-07-13 THE INSTANT NEW YORK TIMES BESTSELLER VOTED GOODREADS CHOICE AWARD BEST HORROR NOVEL OF 2021 A Good Morning America Buzz Pick “The horror master...puts his unique spin on slasher movie tropes.”-USA Today A can't-miss summer read, selected by The New York Times, Oprah Daily, Time, USA Today, The Philadelphia Inquirer, CNN, LitHub, BookRiot, Bustle, Popsugar and the New York Public Library In horror movies, the final girls are the ones left standing when the credits roll. They made it through the worst night of their lives...but what happens after? Like his bestselling novel *The Southern Book Club's Guide to Slaying Vampires*, Grady Hendrix's latest is a fast-paced, frightening, and wickedly humorous thriller. From chain saws to summer camp slayers, *The Final Girl Support Group* pays

tribute to and slyly subverts our most popular horror films—movies like *The Texas Chainsaw Massacre*, *A Nightmare on Elm Street*, and *Scream*. Lynnette Tarkington is a real-life final girl who survived a massacre. For more than a decade, she's been meeting with five other final girls and their therapist in a support group for those who survived the unthinkable, working to put their lives back together. Then one woman misses a meeting, and their worst fears are realized—someone knows about the group and is determined to rip their lives apart again, piece by piece. But the thing about final girls is that no matter how bad the odds, how dark the night, how sharp the knife, they will never, ever give up.

Barbie and the Scavenger Hunt Mary Packard, Golden Books, 1997-10 Barbie hosts a scavenger hunt in this Little Golden Storybook edition that brings favorite stories to children.--Amazon.com

The Necronomicon H. P. Lovecraft, Robert E. Howard, Arthur Machen, Lafcadio Hearn, 2021-11

The Egyptian Book of the Dead Tarot Js Moore, 2020-09-30 This guidebook pictures each card from the Egyptian Book of the Dead Tarot and their meanings along with a brief history of the origins of playing cards and Tarot.

Billy's Band® Dan Newell,John Blackshaw,Anna Macgowan,2013

Necronomicon George Hay,1993-10-01 The creation of Necronomicon is usually ascribed to Lovecraft.

What Are You Doing with Your Life? J. Krishnamurti,2001 WHAT ARE YOU DOING WITH YOUR LIFE?J. KRISHNAMURTII TEACHINGS FOR TEENS, edited by Dale Carlson. Teens learn to understand the self, the purpose of life, work, education, relationships. Through paying attention rather than accepting the authority of their conditioning, they can find out for themselves about love, sex, marriage, work, education, the meaning of life and how to change themselves and the world. The Dalai Lama calls Krishnamurti One of the greatest thinkers of the age.

Solitary Seance Raymond Buckland,2012-02-08 Connecting with your departed loved ones doesn't have to mean visiting a medium or taking a specialized course. With the proven techniques in this book, you can contact spirits anytime you wish—easily and safely in your own home. Bestselling author Raymond Buckland guides you through nearly twenty effective methods for communing with spirit, as

taught in his popular workshops. No special knowledge is required. Simply follow the steps for each method to see which one works best for you. Dreamwork Table-tipping Pendulums Crystal skrying Automatic writing Tarot Runes Spirit photography Dominoes Flame messages Praise: Buckland brings his wonderful wisdom, insight, and experience together in this comprehensive guide for personal spirit communication.—Rosemary Ellen Guiley, author of *The Encyclopedia of Ghosts and Spirits*

Golem Edward Lee, 2022-07-18 The Kabbala, the oldest religion, first taught to the angels by God Himself, and with these holy teachings the Ten Secrets. The angels then whispered these secrets to Adam in Paradise, but they didn't know...someone was listening: Samael, the Arch-Devil of Genesis.... Seth and Judy need to flee from the demons of their past—addiction—and that's why they've just moved into renovated 150-year-old Lowen Mansion on Maryland's sedate eastern shore. Tranquility and solitude is what they expect, and that what they get until the excavator's discover the long-buried secret. GHOSTS? MONSTERS? OR SOMETHING FAR WORSE?

How to Learn to Spell Orti E. Latham, 1902

The Ghost of Thomas Kempe Penelope Lively, 2018-03-08 The classic ghost story from Penelope Lively, one of the modern greats of British fiction for adults and children alike. When James' family moves to an ancient cottage in Oxfordshire (with grounds that are great for excavations and trees that are perfect for climbing), it doesn't take long for odd things to start happening. Doors crash open and strange signs appear, written in an archaic hand. James soon discovers the culprit: a ghost! It's the spirit of Thomas Kempe, a 17th century apothecary who wants James to be his apprentice. The problem? No one else believes in ghosts. It's up to James to get rid of him... An iconic ghost story for children, *The Ghost of Thomas Kempe* is adored by generations of readers.

Victorian Joan M. Brierton, 1999 An illustrated guidebook to restoring American Victorian houses. In this guide, Joan Brierton takes readers on a tour of five Victorian homes of different styles, and guides them through the historical, architectural and decorating issues that are found in all Victorian dwellings.

The Classic Dungeon Design Guide Kent David Kelly, 2017-01-06 Deep dwarven cities of the

underworld, Infested by conquering orcs, Enslaved by demons of skull and pyre ... Black labyrinths of mad demigods, Proving grounds for daring adventurers And graveyards for greedy fools ... Twisting passages, all alike, Where lurking trolls and shadow beasts Guard the deepest riddles of the nether ... If you have ever wanted to know how to quickly and masterfully create your own mega-dungeon for your pen-and-paper Fantasy Role-Playing Game (PNP FRPG) campaigns, this is the perfect book for you. This Game Master's guide will show you, step by step, how to take your vague-yet-promising ideas and how to sculpt them with precise and careful design decisions (enhanced, if you prefer, by random die rolls), allowing you to conceive an endless mega-dungeon in record time. Best of all, the CASTLE OLDSKULL CLASSIC DUNGEON DESIGN GUIDE is also system-neutral. No matter which of the many FRPGs you choose to play, from basic skill level to advanced, a first edition or a fifth or anything in between, the lessons you master here will serve you in your gaming for years to come. Learn how to make the most of your ever-dwindling prep time, so that you can spend those saved hours gaming with your friends! This old school Guide is filled to overflowing with more than 450 pages

of design material and dungeon generation tables. Highlights include: * Hack and slash and beyond. 39 adventure scenarios, with 20 diabolical twists, totaling 780 great ideas for your next campaign. * A myriad of options. Over 10,000 unusual benefactors (quest givers), unusual wilderness encounters your players will never forget, and extensive rumor and dungeon history generation systems. * Every endless labyrinth ever, under one cover. Extensive details on realistic underworlds, hundreds of dungeon dressing ideas, over 10,000 room types, and much more. * The imagined made real. A complete second book is included herein as a detailed example of dungeon design, featuring over 60 pages of specific examples. The Goblin Head campaign environment supplement reveals exactly how a 13-level mega-dungeon can be conceived in a matter of hours. The CLASSIC DUNGEON DESIGN GUIDE is brought to you by Kent David Kelly of Wonderland Imprints, a role-player and Game Master with over 30 years of play experience. Best of all, if there are any other materials you would like to see relating to dungeon design, feel free to contact the author. Many more CASTLE OLDSKULL supplements are being prepared specifically to support the players, initiates and Game Masters of the

Old School Revival (OSR). This Guide is your gateway to the realms of sword and sorcery. Join us for the adventure! (A complete reference work designed to supplement existing pen-and-paper Fantasy Role-Playing Games. 12 chapters, over 100 section topics, 60,000 words, 475+ pages; organized via a fully ordered table of contents. Just one of the proud creations available now from Wonderland Imprints - Only the Finest Works of Fantasy.)
