Maybe he can learn origami, too. It's going to take practice – on his homework, the newspaper, the thirty-eight dollars in his mother's purse . . . Enough! No more folding! But how can Joey become an origami master if he's not allowed to practice? Is there anywhere that he can hone the skill that makes him happy – and maybe even make a new friend while he's at it?

Ally Hughes Has Sex Sometimes Jules Moulin, 2015-08-25 When a buttoned-up professor and her unbuttoned daughter fall for the same irresistible man, a delightful, subversive comedy begins. . . . Life isn't easy for single mother Ally Hughes. Teaching at Brown, her class load is huge and her boss is a menace. At home, she contends with a critical mother, a falling-down house, and a daughter who never misses a beat. Between taking care of the people she loves, teaching full time, and making ends meet, Ally doesn't have time for a man. She doesn't date. She's not into flings. But then she meets Jake, an eager student, young in years but old in soul, who challenges his favorite professor to open up her life, and her heart, to love. It doesn't work. In fact, his urging backfires. Ten years later, Ally's still single. Jake reappears and surprises her in a brand-new role: He's dating Ally's now-grown daughter. In this hilarious, heartrending tale, Ally is finally forced to concede (not only to herself) that an independent, liberated woman can still make room in her life for love.

European Pack for Visiting Auschwitz-Birkenau Memorial and Museum Alicja Biańska, 2010-01-01 Taking groups of students To The Auschwitz-Birkenau Memorial and Museum is a heavy responsibility, but it is a major contribution to citizenship if it fosters understanding of what Auschwitz stands for, particularly when the last survivors are at the end of their lives. It comes with certain risks, however. This pack is designed for teachers wishing to organise student visits to authentic places of remembrance, and for the guides, academics and others who work every day with young people at Auschwitz. There is nothing magical about visiting an authentic place of remembrance, and it calls for a carefully thought-out approach. To avoid the risk of inappropriate reactions or the failure to benefit from a large investment in travel and accommodation, considerable preparation and discussion is necessary before the visit and serious reflection afterwards. Teachers must prepare students for a form of learning they may never have met before. This pack offers insights into the complexities of human behaviour so that students can have a better understanding of what it means to be a citizen. How are they concerned by what happened at Auschwitz? Is the unprecedented process of exclusion that was practised in the Holocaust still going on in Europe today? In what sense is it different from present-day racism and anti-Semitism? The young people who visit Auschwitz in the next few years will be the last witnesses, links in the chain of memory. Their generation will be the last to hear the survivors speaking on the spot. The Council of Europe, The Polish Ministry of Education and The Auschwitz-Birkenau Memorial and Museum are jointly sponsoring this project aimed at preventing crimes against humanity through Holocaust remembrance teaching.

Superperformance Stocks Richard S. Love, 2022-05-27 The Author writes about the superperformance stocks of the time, and the common denominators of those stocks. What traits do they have in common, how to find them? Definition of a superperformance stock: One that at least tripled in price and increased at a minimum rate of three times during a two-year period. A move was considered ended if the price failed to reach a new high in less than six months, or if there was a price reaction of 25 percent or more. Stocks that have a chance to become superperformance stocks share some of these characteristics: * Large increases of earnings, especially if the large increase comes as a surprise. * Mergers and acquisitions. * New management. * New products. The best results come after the market has experienced a severe correction or a bear market, because that is the time when there would be many bargain opportunities in that environment. History often repeats itself in the stock market. The names of the stocks change, but the overall situation is always similar. Acceleration of earning power is the most important thing to look for when examining the potential of a stock to become a superperformance stock. And the superperformance move will most often coincide with the bull market cycle of the general market.
