The Internet of Toys Giovanna Mascheroni,Donell Holloway,2019-02-21 The Internet of Toys (IoToys) is a developing market within our Internet of Things (IoT) ecosystem. This book examines the rise of internet-connected toys and aims to anticipate the opportunities and risks of IoToys before their widespread diffusion. Contributors to this volume each provide a critical analysis of the design, production, regulation, representation and consumption of internet-connected toys. In order to address the theoretical, methodological and policy questions that arise from the study of these new playthings, and contextualise the diverse opportunities and challenges that IoToys pose to educators, families and children themselves, the chapters engage with notions of mediatization, datafication, robotification, connected and post-digital play. This timely engagement with a key transformation in children's play will appeal to all readers interested in understanding the social uses and consequences of IoToys, and primarily to researchers and students in children and media, early childhood studies, media and communications, sociology, education, social psychology, law and design.

Woman Evolve Sarah Jakes Roberts,2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

I Got Something to Say Matthew Oware,2018-07-11 What do millennial rappers in the United States say in their music? This timely and compelling book answers this question by decoding the lyrics of over 700 songs from contemporary rap artists. Using innovative research techniques, Matthew Oware reveals how emcees perpetuate and challenge gendered and racialized constructions of masculinity, femininity, and sexuality. Male and female artists litter their rhymes with misogynistic and violent imagery. However, men also express a full range of emotions, from arrogance to vulnerability, conveying a more complex manhood than previously acknowledged. Women emphatically state their desires while embracing a more feminist approach. Even LGBTQ artists stake their claim and express their sexuality without fear. Finally, in the age of Black Lives Matter and the presidency of Donald J. Trump, emcees forcefully politicize their music. Although complicated and contradictory in many ways, rap remains a powerful medium for social commentary.

In the Shadow Of the Poorhouse (Tenth Anniversary Edition) Michael B Katz,1996-12-11 With welfare reform a burning political issue, this special anniversary edition of the classic history of welfare in America has been revised and updated to include the latest bipartisan debates on how to “end welfare as we know it.”In the Shadow of the Poorhouse examines the origins of social welfare, both public and private, from the days of the colonial poorhouse through the current tragedy of the homeless. The book explains why such a highly criticized system persists. Katz explores the relationship between welfare and municipal reform; the role of welfare capitalism, eugenics, and social insurance in the reorganization of the labor market; the critical connection between poverty and politics in the rise of the New Deal welfare state; and how the War on Poverty of the '60s became the war on welfare of the '80s.

Participatory Politics Elisabeth Soep,2014-01-31 An examination of the mix of face-to-face and digital methods that young people use in their experiments with civic engagement. Although they may disavow politics as such, civic-minded young people use every means and media at their disposal to carry out the basic tasks of citizenship. Through a mix of face-to-face and digital methods, they deliberate on important issues and debate with peers and powerbrokers, redefining some key dynamics that govern civic life in the process. In Participatory Politics, Elisabeth Soep examines the specific tactics used by young people as they experiment with civic engagement. Drawing on her scholarly research and on her work as a media producer and educator, Soep identifies five tactics that are part of effective, equitable participatory politics among young people: Pivot Your Public (mobilizing civic capacity within popular culture engagements); Create Content Worlds (using inventive and interactive storytelling that sparks sharing); Forage for Information in public data archives; Code Up (using computational thinking to design tools, platforms, and spaces for public good); and Hide and Seek (protecting privacy and information sources). After describing these tactics as they manifest themselves in a range of youth-driven activities—from the runaway spread of the video Kony 2012 to community hackathons—Soep discusses concrete ideas for cultivating the new literacies that will enable young people to participate in public life. She goes on to consider some risks associated with these participatory tactics, including simplification and sensationalism, and ways to avoid them, and concludes with implications for future research and practice.

The Feminism and Visual Culture Reader Amelia Jones,2010 Feminism is one of the most important perspectives from which visual culture has been theorised and historicised over the past 30 years. This book brings together a wide array of writings, including classic texts and polemical new pieces.

Music Learning and Teaching in Culturally and Socially Diverse Contexts Georgina Barton,2018-08-13 This book examines the inter-relationship between music learning and teaching, and culture and society: a relationship that is crucial to comprehend in today's classrooms. The author presents case studies from diverse music learning and teaching contexts - including South India and Australia and online learning environments - to compare the modes of transmission teachers use to share their music knowledge and skills. It is imperative to understand the ways in which culture and society can in fact influence music teachers' beliefs and experiences: and in understanding, there is potential to improve intercultural approaches to music education more generally. In increasingly diverse schools, the author highlights the

need for culturally appropriate approaches to music planning, assessment and curricula. Thus, music teachers and learners will be able to understand the diversity of music education, and be encouraged to embrace a variety of methods and approaches in their own teaching. This inspiring book will be of interest and value to all those involved in teaching and learning music in various contexts.

God Save the Queens Kathy Iandoli, 2019-10-22 An NPR Best Book of the Year Without God Save the Queens, it is possible that the contributions of dozens of important female hip-hop artists who have sold tens of millions of albums, starred in monumental films, and influenced the direction of the culture would continue to go unrecognized. —AllHipHop.com Can't Stop Won't Stop meets Girls to the Front in this essential and long overdue history of hip-hop's female pioneers and its enduring stars. Every history of hip-hop previously published, from Jeff Chang's Can't Stop Won't Stop to Shea Serrano's The Rap Yearbook, focuses primarily on men, glaringly omitting a thorough and respectful examination of the presence and contribution of the genre's female artists. For far too long, women in hip-hop have been relegated to the shadows, viewed as the designated "First Lady" thrown a contract, a pawn in some beef, or even worse. But as Kathy Iandoli makes clear, the reality is very different. Today, hip-hop is dominated by successful women such as Cardi B and Nicki Minaj, yet there are scores of female artists whose influence continues to resonate. God Save the Queens pays tribute to the women of hip-hop—from the early work of Roxanne Shante, to hitmakers like Queen Latifah and Missy Elliot, to the superstars of today. Exploring issues of gender, money, sexuality, violence, body image, feuds, objectification and more, God Save the Queens is an important and monumental work of music journalism that at last gives these influential female artists the respect they have long deserved.

Old Money Nelson Aldrich, 1997-06-01 This insider's look at inherited wealth in the United States explores the complex meanings of money and success in American society with a new introduction that examines whether America's privileged class will be willing or able to play a leadership role in the twenty-first century. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Once a Cigar Maker Patricia Ann Cooper, 1987 Patricia A. Cooper charts the course of competition, conflict, and camaraderie among American cigar makers during the two decades that preceded mechanization of their work. In the process, she reconstructs the work culture, traditions, and daily lives of the male cigar makers who were members of the Cigar Makers' International Union of America (CMIU) and of the nonunion women who made cigars under a division of labor called the team system. But Cooper not only examines the work lives of these men and women, she also analyzes their relationship to each other and to their employers during these critical years of the industry's transition from hand craft to mass production.

Sword of Persia Michael Axworthy, 2010-03-24 Nader Shah, ruler of Persia from 1736 to 1747, embodied ruthless ambition, energy, military brilliance, cynicism and cruelty. His reign was filled with bloodshed, betrayal and horror. Yet, Nader Shah is central to Iran's early modern history. From a shepherd boy, he rose to liberate his country from foreign occupation, and make himself Shah. He took eighteenth century Iran in a trajectory from political collapse and partition to become the dominant power in the region, briefly opening the prospect of a modernising state that could have resisted colonial intervention in Asia. He recovered all the territory lost by his predecessors, including Herat and Kandahar, and went on to conquer Moghul Delhi, plundering the enormous treasures of India. Nader commanded the most powerful military force in Asia, if not the world. He repeatedly defeated the armies of Ottoman Turkey, the preeminent State of Islam, overran most of what is now Iraq and threatened to take Baghdad on several occasions. But from the zenith of his success he declined into illness, insane avarice and horrific savagery, committing terrible atrocities against the Persian people, his friends, and even his family, until he finally died as violently as he had lived. The Sword of Persia recreates the story of a remarkable, ruthless man, capable of both charm and brutality. It is a rich narrative, full of dramatic incident, including much new research into original Iranian and other material, which will prove indispensable to historians and students. The book includes many contemporary illustrations, and maps.

Visualising Facebook Daniel Miller, Jolynna Sinanan, 2017-03-07 Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

High Gloss: the Art of Vijat Mohindra Vijat Mohindra, 2020-11-10 The first monograph showcasing the pop and glossy universe of young Hollywood's favorite photographer Considered young Hollywood's favorite photographer, Vijat Mohindra has created a unique and colorful style that he's brought to the covers of the world's hippest magazines. His ultra-modernist and hyper-synthetic aesthetic appeals to millennials, and the dazzling anti-vérité style of his work has attracted celebrity clientele such as Miley Cyrus, Paris Hilton, Nicki Minaj, Gwen Stefani, and Kim Kardashian West. With them, he has created iconic covers for publications such as Paper magazine, Gay Times, Attitude, and Plastik. Fascinated by all those who defy norms, genders, and boundaries, this former assistant of David La Chapelle never ceases to celebrate our differences in fantasy worlds where Paris Hilton, Amanda Lepore, Tyra Banks, and A\$AP Rocky could all live together. This is his first monograph ever published and includes all the images that made him famous, as well as new photos shot exclusively for this book. A must-have for anyone interested in fashion and photography.

Sound, Music, Affect Marie Thompson, Ian Biddle, 2013-03-14 A wide-ranging collection of essays combining sound studies with affect studies, from an international and interdisciplinary cast of scholars.

The Poet X Elizabeth Acevedo, 2018-03-06 Winner of the National Book Award for Young People's Literature, the Michael L. Printz Award, and the Pura Belpré Award! Fans of Jacqueline Woodson, Meg Medina, and Jason Reynolds will fall hard for this astonishing New York Times-bestselling novel-in-verse by an award-winning slam poet, about an Afro-Latina heroine who tells her story with blazing words and powerful truth. Xiomara Batista feels unheard and unable to hide in her Harlem neighborhood. Ever since her body grew into curves, she has learned to let her fists and her fierceness do the talking. But Xiomara has plenty she wants to say, and she pours all her frustration and passion onto the pages of a leather notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami's determination to force her daughter to obey the laws of the church, Xiomara understands that her

thoughts are best kept to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” –Justina Ireland, author of Dread Nation “An incredibly potent debut.” –Jason Reynolds, author of the National Book Award Finalist Ghost “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” –Ibi Zoboi, author of American Street This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8. Plus don't miss Elizabeth Acevedo's With the Fire on High and Clap When You Land!

Music/Video Gina Arnold,Daniel Cookney,Kirsty Fairclough,Michael Goddard,2017-08-30 This book is a lively, comprehensive and timely reader on the music video, capitalising on cross-disciplinary research expertise, which represents a substantial academic engagement with the music video, a mediated form and practice that still remains relatively under-explored in a 21st century context. The music video has remained suspended between two distinct poles. On the one hand, the music video as the visual sheen of late capitalism, at the intersection of celebrity studies and postmodernism. On the other hand, the music video as art, looking to a prehistory of avant-garde film-making while perpetually pushing forward the digital frontier with a taste for anarchy, controversy, and the integration of special effects into a form designed to be disseminated across digital platforms. In this way, the music video virally re-engenders debates about high art and low culture. This collection presents a comprehensive account of the music video from a contemporary 21st century perspective. This entails revisiting key moments in the canonical history of the music video, exploring its articulations of sexuality and gender, examining its functioning as a form of artistic expression between music, film and video art, and following the music video's dissemination into the digital domain, considering how digital media and social media have come to re-invent the forms and functions of the music video, well beyond the limits of “music television”.

Black Privilege Charlamagne Tha God,2017-04-18 An instant New York Times bestseller! Charlamagne Tha God—the self-proclaimed “Prince of Pissing People Off,” cohost of Power 105.1’s The Breakfast Club, and “the most important voice in hip-hop”—shares his eight principles for unlocking your God-given privilege. In Black Privilege, Charlamagne presents his often controversial and always brutally honest insights on how living an authentic life is the quickest path to success. This journey to truth begins in the small town of Moncks Corner, South Carolina, and leads to New York and headline-grabbing interviews and insights from celebrities like Kanye West, Kevin Hart, Malcolm Gladwell, Lena Dunham, Jay Z, and Hillary Clinton. Black Privilege lays out all the great wisdom Charlamagne’s been given from many mentors, and tells the uncensored story of how he turned around his troubled early life by owning his (many) mistakes and refusing to give up on his dreams, even after his controversial opinions got him fired from several on-air jobs. These life-learned principles include: -There are no losses in life, only lessons -Give people the credit they deserve for being stupid-starting with yourself -It’s not the size of the pond but the hustle in the fish -When you live your truth, no one can use it against you -We all have privilege, we just need to access it By combining his own story with bold advice and his signature commitment to honesty no matter the cost, Charlamagne hopes Black Privilege will empower you to live your own truth.
