The Best of Punk Magazine John Holmstrom, 2012-12-18 Launched in 1976, Punk magazine announced an exploding youth movement, a new direction in American counterculture. Punk was to magazines what the stage at CBGB was to music: the gritty, live-wired, throbbing center of the punk universe. Despite its low-rent origins, the mag was an overnight success in the underground music scene, selling out every print run across the US and UK. Every musician who appeared on the cover of Punk became an icon of the era. But Punk not only championed music, it became a launching pad for writers, artists, cartoonists, and graphic designers. And the wacky, sardonic, slapstick vibe of the magazine resonated with an international army of music fanatics who were ready to burn their bell bottoms and stage-dive into the punk universe. The Best of Punk Magazine collects the best of these pages into the ultimate, must-have anthology: Interviews with the Ramones, Sex Pistols, John Cale and Brian Eno Photos by Roberta Bayley David Godlis, and Bob Gruen Cartoons by R. Crumb, Bobby London, and John Holmstrom The articles that formed the groundwork for Please Kill Me, the legendary oral history of punk by Legs McNeil and Gillian McCain Two graphic novels—The Legend of Nick Detroit and Mutant Monster Beach Party—told through photographs featuring Debbie Harry, Joey Ramone, Richard Hell, Andy Warhol, Peter Wolf, and David Johansen The Best of Punk Magazine is a must-have for people who love punk rock music, comics, fanzines, Blondie, the Ramones, Lou Reed, the Velvet Underground, the Sex Pistols, and the legendary CBGB scene.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Zen drawing - a new way to become an artist Michelle Dujardin, 2014-07-25 This eBook is derived from the hardcover book called 'the Zen drawing Pack', which was published in October 2014 by Rockpoint publishers and as an eBook called 'The Zen drawing eBook' by the authors. In this eBook called 'Zen drawing - a new way to become an artist', the authors have put less emphasis on the Zen Buddhism

background of Zen drawing and more emphasis on the artistic benefits that can be found by using the techniques described in the hardcover book. For instance by adding a chapter on the use of watercolors and ink. As with all their books on Zen drawing, this eBook is based on the works of Frederick Franck and Betty Edwards. In this eBook artist Michelle Dujardin helps you to awaken your inner artist and add soul to your sketches by ignoring conventional drawing techniques and focus on really seeing your subject. Michelle helps you achieve a meditative state just by changing the way you see a subject, and allow your hands to follow the movement of your eyes. When you trust your own drawing reflex, the art that you create will become more expressive and beautiful than what you've done before. Not great with a pencil? Don't worry, everyone can learn to draw this way and you don't need any special talent or class. For any level of artist, from a beginner with little talent to an illustration expert, Zen drawing is not about making perfect pictures, it is about the experience of drawing, finding inspiration, and connecting to the world around you.

90s Bingo, 2020-04-14 This tongue-in-cheek bingo board game is a pop-cultural time capsule, which celebrates and relives the '90s in all its tacky glory. Name a more '90s-esque pastime than bingo! This flat-pack bingo game is a flashback to the iconic pop-cultural moments of the, like, totally greatest decade ever. Yes, this is history at its most irreverent. Any millennial will say that the '90s were the best decade--even though many were still in diapers at the time. Regardless, and putting the whole '90s-kid debate aside for a moment, they're right. Much of 90s culture dictates ours today. Can we imagine a universe without Oprah? And without Friends or Seinfeld, would our world even turn? If Nirvana hadn't made it big, would grunge have ever reached the masses? We doubt it, and this bingo game just about proves it. This box set contains a game board, 16 bingo cards, 48 tokens, 150 counters and detailed game instructions.
