Philip K. Dick

Al Wasl Plaza Adrian Smith + Gordon Gill Architecture Adrian Smith + Gordon Gill
Architecture, 2022-04-12 In the book *Al Wasl Plaza: Dubai Expo* the architects, Adrian Smith + Gordon Gill Architecture highlight the inspiration and innovation of the design of Al Wasl Plaza. The book explores each aspect of the project including the garden, the trellis, three office buildings, and two hotel buildings, all of which serve to define the center of Expo 2020. The book is essentially divided into three phases of design. The first phase focuses on the inspiration and conception of the project. Architectural studies, sketches, and models show the process that led to the final iconic form. The second phase introduces each of the parcels including the garden, trellis, offices, hotels, the Leadership Pavilion, and the Arrivals Plaza. Each chapter illustrates the design process, architectural details, and the development of the technical systems. The third and final phase summarizes the construction process, sustainability achievements, and looks to the future to reveal the District 2020 legacy master plan concept by AS+GG.

America's National Game Albert Goodwill Spalding, 1911 This book is Albert Spalding's work of historic facts concerning the beginning, evolution, development and popularity of base ball, with personal reminiscences of its vicissitudes, its victories and its votaries. It is one of the defining books in the early formative years of modern baseball.

Galactic Pot-healer Philip K. Dick, 1994 What could an omnipresent and seemingly omnipotent entity want with a humble pot-healer? Or with the dozens of other odd creatures it has lured to Plowman's Planet? And if the Glimmung is a god, are its ends positive or malign? Combining quixotic adventure, spine-chilling horror, and deliriously paranoid theology, *Galactic Pot-Healer* is a uniquely Dickian voyage to alternate worlds of the imagination.

Radio Free Albemuth Philip K. Dick, 1999 As America gasps in a stranglehold of a skull-crushing totalitarian regime, a supernatural intelligence speaks from the stars. Will the agents of ominous Valis succeed in their mission of liberation? Or will the tactics of President Freemont extend the grip?

The Cluetrain Manifesto Rick Levine, 2000 Expanding on ideas and insights first nailed up on the Web, *The Cluetrain Manifesto* both signals and explores a sea change already nearing flood tide in today's wired world. Through the Internet, people are discovering new ways to share relevant knowledge with blinding speed. As a result, markets are getting smarter than most companies. Whether management understands it or not, networked employees are an integral part of these borderless conversations. Today, customers and employees are communicating with each other in language that is natural, open, direct and often funny. Companies that aren't listening to these exchanges are missing a dire warning. Companies that aren't engaging in them are missing an unprecedented opportunity.
