**Original Grin** Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Collects GOD COMPLEX #1-6

**HANAMONOGATARI** NISIOISIN,2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an "injury," is starting her senior year and the narrator of this volume—her voice far more introspectivethan the smutty jock's we thought we knew. Bereft of the company of her beloved mentors, the only other person around her with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey's Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a "wax flower" to take the characters' meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however, still be aggressive?

We Are Indie Toys Louis Bou,2014-02-25 The indie world is producing extraordinary toy characters but little is known about the designers creating them or the processes used to make them. **NEKOMONOGATARI (WHITE)** NISIOISIN,2019-10-08 Launching into new territory that the author hadn't mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you're asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl's heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

**Terry's Guide to Mexico** Thomas Philip Terry,1927

**Border Bang** Jorge Guttiérrez,2018-11-13 WHEN MEXICAN FOLKORE MEETS U.S. POP CULTURE!!!! Border Bang is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is the border's reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits that he saw. Border Bang is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.

**TSUKIMONOGATARI** NISIOISIN,2019-10-08 Launching the third or "Final Season" of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his "intensity as a human"—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means "calendar" but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

**Kill Audio** Claudio Sanchez,2014-08-20 ROCK 'N' ROLL WILL DIE! Kill Audio, on the other hand, can't. An immortal troll charged with balancing music in the land of Sight & Sound, Kill Audio seeks out the musical fathers of every genre...but someone's always one step ahead of him. With his team of a talking pillow, a skeleton in a beaver suit, and a drug-addled chicken, will Kill Audio be able to restore the balance before it's too late? Coheed and Cambria frontman Claudio Sanchez (THE AMORY WARS) and Chondra Echert (KEY OF Z) team up with red-hot artist Mr. Sheldon (DEADPOOL) for a disgustingly enjoyable piece of rock 'n' roll you'll never forget!

**KABUKIMONOGATARI** NISIOISIN,2019-10-08 How far does one go to help a lost child? In the case of returning narrator Araragi, the answer is too far, across the veil of time. Dutifully (if unknowingly) following up on Hachikuji's cheeky foreshadowing, he concerns himself with his young lady friend and her fate in this installment of the cult-hit series, heroically unable, once again, to find his own way home. Thus the tale is also, or more so, about the journey itself, the dark honeymoon of a trip he takes into the past with the dweller in his shadow, Shinobu. Even among a cast that routinely disrespects chronology with their meta-commentary, she takes the cake, or the donut, by rewinding the clock for a perverse road movie, one that by and large goes nowhere, spatially. It's Kabuki not as in the theater, but with the character for "tilt"—as in a slanted attitude toward the world, the posture of a bohemian. Or, perhaps, of a legendary vampire who once sought death, and of a high school senior who once tuned out life doing their dandy best to attend to an embarrassing wealth of aberrations in a provincial town.

**The Kodansha Kanji Learner's Dictionary** Jack Halpern,2013-05-31 With The Kodansha Kanji Learner's Dictionary: Revised and Expanded, learners finally have at their fingertips accurate and in-depth information on all the kanji prescribed by the Japanese government. In all, 3,002 characters—772 more than in the first edition—fill its pages, making it the most comprehensive and up-to-date dictionary of its kind. The main goal of the dictionary is to give the learner instant access to a wealth of useful information on kanji, including their meanings, readings, stroke order, and usage in compounds. Compounds pose a special problem for learners. Normally one must memorize them as unrelated units. A unique feature of this dictionary that overcomes this difficulty is the core meaning, a concise keyword that defines the dominant sense of each kanji, followed by character meanings, or specific senses the kanji can have when used in the living language. Together these features help learners understand the logic behind compound formation. Another unique feature is the System of Kanji Indexing by Patterns (SKIP), a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries. With SKIP, all one needs to do to find a kanji is identify the geometrical pattern to which it belongs, then count the strokes in each part of that pattern—a much speedier process than searching by traditional methods. These features, and many more, make this dictionary the most powerful kanji-learning tool ever devised.

**Icons Unmasked** Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever
