The Olympus Pen F Menu System Simplified David Thorpe,2016-04-28 The Olympus Pen F is one of the most versatile and accomplished fully digital cameras ever produced. That makes it a formidable imaging tool but also gives the user a steep learning curve to get the best from it. For example, the Custom Menu alone has more than 140 entries, each with their own sub-entries. This book helps you over that learning curve by going through the menu options one by one, explaining what they do and why you might want to do it. At the end of the book, I illustrate, item by item, every menu setting I use as my basic camera setup, followed by an index of the contents. It won't be your ideal setup but it will give you a working configuration from which to find it. After a more than 40 years career as a professional news and magazine photographer, I went over to Micro Four Thirds camera for all my work almost as soon as they came out. I've never regretted that and I hope that with my little book you'll come to respect and admire these little jewels of camera technology as much as I do.

The Strange Case of Origami Yoda (Origami Yoda #1) Tom Angleberger, 2012-08-07 In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren't strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight's classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, and hailed by School Library Journal as "honest, funny, and immensely entertaining."
