*Sixty Morning Talks* Andy Fitch, 2014 Literary Nonfiction. Poetry. SIXTY MORNING TALKS: SERIAL INTERVIEWS WITH CONTEMPORARY AUTHORS provides sixty transcribed interviews with poets who released books in 2012. Rather than advance an overarching argument concerning the state of poetry, this book engages a broad range of authors often subdivided into ideological, aesthetic, generational, national and identity-based camps, and taps the accessibility of vernacular speech to offer new means of comparative study, cross-reference and discursive collaboration.

**Suffolk Surnames** Nathaniel Ingersoll Bowditch, 1857

**An A to Z of Almost Everything** Trevor Montague, 2003 In this new edition, the original topics have been brought up to date, added to and elaborated upon: Abbreviations, for example, now includes an essential array of chat room acronyms: Fashion boasts a complete list of British Hairdressers of the Year; and Music features a comprehensive listing of every top-ten single in the last forty years. And there are a wealth of new subjects to be discovered and enjoyed too, from the Top Tens of 2002 to world coins and paper money, bingo calls to crime and punishment, the Mr Men books to the works of Charles Dickens. What can be Big Boy, Early Girl or Supersonic? Which British Prime Minister links John Lennon and Gary Lineker? Which classic novel begins 'Now, what I want is facts'? (See Reviews for Answers) This monumental work of reference is a must-have title on your bookshelf - both an enjoyable book to dip into and a cornucopia of sheer fact.

Urban Voices Paul Foulkes, Gerard Docherty, 2014-04-23 Accents and dialects are constantly undergoing small variations over time, but evidence shows that change may have become increasingly rapid in the past few decades. 'Urban Voices' presents one of the few recent surveys of this phonological variation and change in urban accents across Great Britain and Ireland. Each of the specially commissioned chapters is divided into two parts. The first provides a detailed description of accent features within one or more urban centres, including information on social and stylistic variation and ongoing change. The second discusses a range of current theoretical and methodological issues. Some chapters present wholly new data based on fieldwork carried out specifically for inclusion in 'Urban Voices', while others summarise data from well-

known research, up-dated and reanalysed in accordance with new findings. Containing copious illustrative and pedagogic material, this textbook presents a clear pathway to state-of-the-art research for students of sociolinguistics, dialectology, phonetics, and phonology at advanced undergraduate and graduate level. In addition, the detailed descriptive data and the accompanying cassette constitute a valuable resource for students and teachers of English, clinicians and speech therapists, forensic phoneticians, researchers in speech recognition and speech synthesis, and actors. *The 8-Hour Diet* David Zinczenko, Peter Moore, 2013-12-03 A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After

conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.

**Sue in Berlin** Carla Harryman, 2018-02-20 Sue in Berlin. A succession of and an interaction in between several pieces, that could also be said as designed for the stage. What Sue in Berlin puts to the fore: The paramount importance of theater or some aspects of theater within poetry—Within any poem. Harryman's poetry is theater, at once. An exchange between voices coming from different parts. A gathering of voices. As of flowers in a bunch of flowers. An exchange between voices coming from different people.

A to Z of Sport Trevor Montague, 2004 THE A TO Z OF SPORT is unique: nothing as comprehensive has ever appeared before. It covers more than one hundred sports, with the treatment of some of the nation's favourites, such as football, rugby, cricket and athletics, almost meriting books in themselves. The sports covered include everything you can think of: from football to fencing, cricket to croquet, motor

racing to marbles, all the way from adventure racing to wrestling - no sport is too big or small for inclusion. There is an introductory essay for each sport, explaining its history and rules. These are followed by the most comprehensive lists of tournaments, champions, cups, venues and participants ever assembled. And there are further sections on Sportspeople, the Television Sports Personality of the Year, Trophies, Sporting Quotations and Sporting Current Affairs. From remarkable facts to argument-settling information, the A TO Z OF SPORT is the indispensable reference book for every sports fan.

**Between Page and Screen** Amaranth Borsuk, Brad Bouse, 2016 Poetry. Art. Collaboration. An unlikely marriage of print and digital, BETWEEN PAGE AND SCREEN chronicles a love affair between two characters, P and S. The book has no words, only inscrutable black and white geometric patterns that, when coupled with a webcam, conjure the written word. Reflected on screen, the reader sees him or herself with open book in hand, language springing alive and shape- shifting with each turn of the page. The story unfolds through a playful and cryptic exchange of letters between P and S as they struggle to define their relationship. Rich with innuendo, anagrams, etymological and sonic affinities between words, BETWEEN PAGE AND SCREEN revels in language and the act of reading.

**The Annenbergs** John E. Cooney, 1982 This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king, ' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain.--Jacket.
