The Tarot of Leonora Carrington ,2022-09-27 A significantly expanded edition of Carrington's acclaimed Tarot series, featuring new archival images and research The British-born Mexican surrealist Leonora Carrington (1917-2011) spent a lifetime exploring the esoteric traditions of diverse cultures, and incorporated their ideas and symbols into her artistic and literary oeuvre. Tibetan Buddhism, the Kabbalah, ancient Egyptian and Mesopotamian magic, Celtic mythology, witchcraft, astrology and the Tarot were filtered through her feminist lens to create a visionary, woman-centered worldview. Carrington created a spectacular Major Arcana Tarot deck sometime during the 1950s, laying gold and silver leaf over brilliant color. Exhibited for the first time during her centennial exhibition Leonora Carrington: Magical Tales in 2018, this extraordinary work was a revelation for the public and inspired the publication of The Tarot of Leonora Carrington. This second, considerably expanded edition--encouraged by the overwhelmingly positive reception of Fulgur's publication in 2020--explores further the central position that the Tarot held in Carrington's work. The volume includes an introductory text by her son Gabriel Weisz Carrington, who recalls his mother's long involvement with the Tarot, followed by a revised and more extensive essay by scholar Susan Aberth and curator Tere Arcq, including detailed analysis of each card: their color symbolism, their relationship to other works and their iconographic origins in ancient esoteric beliefs, including the Mesoamerican influences of her adopted country. This new edition also reproduces previously unpublished photographs and images, as well as exciting new research into Carrington's influences, emphasizing the authors' claim that her work on the Major Arcana represents an esoteric roadmap to Carrington's feminist vision and wish for a new global gender equality toward a better ecological future for our planet.

Dolls of Hope Shirley Parenteau,2015-09-22 How daring is Chiyo prepared to be to keep the American Friendship Doll safe? Inspired by a little-known historical event, this engaging companion to Ship of Dolls is told from a Japanese girl's point of view. When eleven-year-old Chiyo Tamura is sent from her home in a small Japanese mountain village to a girls' school in the city of Tsuchiura, she never imagines that she will soon be in Tokyo helping to welcome more than twelve thousand Friendship Dolls from America—including Emily Grace, a gift to her own school. Nor could she dream that she'd have an important role in the crafting of Miss Tokyo, one of fifty-eight Japanese dolls to be sent to America in return. But when an excited Chiyo is asked to be Emily Grace's official protector, one jealous classmate will stop at nothing to see her fail. How can Chiyo reveal the truth—and restore her own good name? In another heartwarming historical novel, the author of Ship of Dolls revisits the 1926 Friendship Doll exchange, in which teacher-missionary Sidney Gulick organized American children to send thousands of dolls to Japan in hopes of avoiding a future war.

Can the adventurers survive the dangers of the island to overthrow their cruel captors and take control of their own destinies? Will they become feared pirates with their own ship, or will they meet their ends in a watery grave? Goddess and Mythology Coloring Book Selina Fenech, 2016-07-13 Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11 inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Ceridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

How to Make Adorable Baby Animal Dolls Jonni Good, 2013-06 In this book the author shows you exactly how to make your own adorable baby animal collector's dolls, leading you through the entire process every step of the way. Your dolls won't cost much to make, and every doll will be an original, one-of-a-kind work of art. Since no two dolls ever come out exactly alike, each doll will have its own personality and character. You won't have to learn how to make molds for the doll heads, because each one is hand-sculpted over a simple armature. You don't need a kiln, because you'll be using home-made air-dry clay instead of porcelain. The resulting heads are seamless, hollow, and surprisingly strong. The bodies and ears are made out of soft, huggable cotton velour, and the toes are sculpted with a few easy stitches. Adorable!
