Orange Is the New Black Presents: The Cookbook Jenji Kohan, Tara Hermann, Hartley Voss, Alex Regnery, 2014-10-14 "A fun read for fans of the Netflix series . . . And don't worry: These dishes are way better than the food the inmates actually eat on the show" (People). Staffed and run by a band of misfit inmates, the kitchen at Litchfield is in many ways the center of the popular show *Orange Is the New Black*—a setting for camaraderie, drug smuggling, power struggles, and plot twists. And then there is the food. With sixty-five recipes, twelve sidebars that expand upon the fiction of the show, and sixty photographs from the show featuring favorite characters and memorable moments, *Orange Is the New Black Presents: The Cookbook* adds new dimensions to any fan's obsession. The recipes cover three square meals a day, plus snacks/sides, desserts, and drinks. They include Red's Chicken Kiev, Miss Claudette's Coconut Cake, and Prison Punch. The sidebars include Taystee's suggested prison reading list, the recipe for Red's Homemade Homeopathic Remedies, and a prison glossary. Chock full of in-depth information about the show, including recipe headnotes by the characters, DIY projects that emulate notable props, and prison factoids that help bring the show to life, this cookbook will bring a little piece of Litchfield right into your very own kitchen.

Orange Is the New Black Piper Kerman,2010-04-06 #1 NEW YORK TIMES BESTSELLER • NOW A NETFLIX ORIGINAL SERIES With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who

delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek
