The Nine Hundred Heather Dune Macadam,2020-01-28 On March 25, 1942, nearly a thousand young, unmarried Jewish women boarded a train in Poprad, Slovakia. Filled with a sense of adventure and national pride, they left their parents' homes wearing their best clothes and confidently waving good-bye. Believing they were going to work in a factory for a few months, they were eager to report for government service. Instead, the young women-many of them teenagers-were sent to Auschwitz. Their government paid 500 Reichsmarks (about 160) apiece for the Nazis to take them as slave labour. Of those 999 innocent deportees, only a few would survive.The facts of the first official Jewish transport to Auschwitz are little known, yet profoundly relevant today. These were not resistance fighters or prisoners of war. There were no men among them. Sent to almost certain death, the young women were powerless and insignificant not only because they were Jewish-but also because they were female. Now, acclaimed author Heather Dune Macadam reveals their poignant stories, drawing on extensive interviews with survivors, and consulting with historians, witnesses, and relatives of those first deportees to create an important addition to Holocaust literature and women's history.

999 Richard B. Fizdale,2014 The story of 999 is the story of Chicago at one of the most pivotal and explosive moments in its history. Set along the city's storied lakefront, 999 details the wealth, greed, power, corruption and even murder that accompanied the rise of arguably the most beautiful and historical residential building in Chicago. Lavishly illustrated and well researched, Fizdale's vivid account of a land grab so extensive that it was contested for more than five decades, sets the stage for the war for what would become Streeterville. He includes fascinating and largely unknown details of the lives of the boldfaced names of Chicago's past -- from the period just after the Chicago fire to the present.--Amazon.com.

Apocrypha 999 Anthon von Lisenborgh,2011-11-21 This work reveals what has been hidden for 3000 years that has already been given us by King Solomon when the Archetype Queen of Sheba went to GET this Name of the God of Israel for which she paid about R5,93 Billion in Gold @ \$700/oz in 2006. It is the Ancient PRIMORDIAL religion that is ONE and was before where Judaism and Christianity and Islam was ONE body and One religion worshipping the One and Only God and it unlocks the SECRET, Hidden and LOST WORD of all Secret societies who knows not that they know not. In this work I hand you the KEY to unlock the SEPHER YETSIRA, the CABBALA, the TREE of LIFE and the Etz Chayyim in essence and the Knowledge between GOOD and EVIL, Life and Death, Right and Wrong. Here you get the 296, the 345 of Pythagoras, the 358 and other mystic numbers that cannot have any meaning to the Flatline PhDs where the worthies have now received it already in the Ancient Science of the Gematria, (Harooof-e-Abjad) and the ELS of professor Eliyahu Rips to assist us in finding ever greater TRUTHS hidden within scripture for which discovery Dr Rashad Khalifa was KILLED on a Fatwa in 1990 when translating the Quran into English. In this work is given the essence of Gnosticism in math and science within the Universal Absolute with PROOF of this NAME of God that is OVER IT ALL so that the Curse of God on all Priests in Malachi 2 may be lifted to GLORIFY His Name and Bow down to it as in Phil 2:9. I am the WAY, the LIFE, the VINE and the DOOR as the Alpha and the Omega as the ONE and the NINE in 19 as WAHD that is Over it all in sura 74:30. The One and the Only NAME that can ever set us FREE to fly into the Light without the mythical burning of Icharus wings in the TRUTH of God that we too can BECOME what we are as ONE with HIM in John 17:22

Police, Crime & 999 John Donoghue,2011 Ever wondered what really happens behind the scenes in the police? What bizarre 999 calls are made to the emergency services?Why can wearing two pairs of socks make you a suspect?What is the link between police and vampires? Which Royal arrest never made news headlines? What covert sign do officers make when they no longer wish to talk to you? After successful careers in both the military and business, John Donoghue realised that the higher you get in any organisation, the less fun you have. So, after handing back his expense account and company car, he joined the police in search of excitement and thrills... and discovered some surprising answers to these puzzling questions. PC John Donoghue reveals all in his fascinating and hilarious true account of a year in the life of a front line response officer. Names and places have been changed to protect the guilty... but if you call the police, maybe, just maybe, it could be Police Constable John Donoghue turning up at your door. This book will appeal to anyone interested in crime and police, as well as fans of autobiographies and humour.

Fischman 999 (Volume: 1) , A superhero comic book for the alcoholic, debauchery-loving lunatic within all of us. Gregory Fischman is a part-time superhero and full-time party fish. With no worthy foes or gigantic monsters to challenge him, Greg turns to a life of shameless narcissism, hot-disco-sex, and psychedelic drugs to zest up his fishy existence. In Volume 1, Fischman acts a fool at the local homeless shelter, while making fuck-loads of cash through cheap cake frosting endorsement deals. This cartoony and adult comic by Robin Růže reminds us that there is a special kind of beauty in filth and ugliness.

999 ANGELS (photo Book Part 1) Dirk Pieter,2021-12-02 ART/BOOK PROJECT, 999 ANGELS Street portraits by Dirk Pieter. ●Photo book, part 1. 480 pages, few text pages only. The rest of the book is filled with photographs. A so-called Rough Edition. Imperfect but nice, charming and a slight vintage-like print. ●FRONT COVER TEXT: The first and largest photo encyclopedia of found contemporary angels around the world. ●BACK COVER TEXT: A photo

encyclopedia of contemporary Angels according to Dirk Pieter B. This simple rough publication contains photographs from his still ongoing Art and Book project, in which he's trying to find and capture 999 Angels around the world. Starting in 2011, the project in its entirety will cover more than a decade of street portraits. More than a decade of recent found Angels. Or, maybe, to put it more precisely, the project covers more than a decade of optimistic hope, more than a decade of ideals. Or, maybe, who knows, 999 Angels might simply be about nice little mirrored dreams of all times. ●FOREWORD LIZZIE ELDRIDGE*: The photos included in this book are remarkable. Sometimes it's because the individual photos are absolutely beautiful, but it's taking the collection as a whole which makes the pictures so fascinating. It is not glitz or glamour which catches the attention but, and always respectfully, the author creates images which go beneath the surface. It's as if you catch a glimpse of the personal stories behind the people portrayed. Managing to capture nuances, the author shows that in his black and white images, no colour is needed to express colourfulness. ●(*Lizzie Eldridge is a writer, actor and activist based in Glasgow.)

999 - Life on the Frontline Dan Farnworth,2020-01-23 Dan Farnworth brings vividly to life his astonishing experiences as a medic working on the frontline of the UK Ambulance Service. When the 999 call goes out, he has little idea what he will find - and how he will cope with the challenges he faces when he gets there. Having worked in the emergency services for more than fifteen years, Dan Farnworth has seen it all. There was the time he was called to take away a dead body - only for the 'corpse' to jolt back into life and demand to know what he was doing in her house. Earlier in his career, he unwittingly disturbed a crime scene as he shared the sad news of the victim's death with her son. Along with the 18,000 other paramedics in the UK who serve us day and night, Dan constantly finds himself pushed into extraordinary circumstances where he not only has to deal with those he has been sent to help, but also their worried families and friends - and even with irate drivers who object to his ambulance getting in their way as he desperately works to save someone's life. There is a special camaraderie among paramedics, and 999 - Life on the Frontline is packed with stories that are sometimes sad, occasionally hilarious, often moving but always inspirational. However, the work also takes its emotional toll, and Dan won an ITV NHS Heroes Award after setting up the Our Blue Light Campaign that helps those in his profession suffering from PTSD - something that struck him after a truly shocking event. His story will make you see our ambulance service in a completely new way.

Ducati 999 Alan Cathcart,Marc Cook,2003 How do you replace a legend? For Ducati, the Italian motorcycle manufacturer worshiped by racers and riders all over the world, the answer was to start from scratch. When the company decided to produce a successor to its immensely popular 916/996/998 series, it allowed designer Pierre Terblanche to create a completely new bike built from the inside out. This approach resulted in a radically styled motorcycle whose improved ergonomics offer greater comfort and control, with more agile handling at all speeds.Ducati also broke with tradition by allowing two of the worlds top motorcycling writers, Alan Cathcart and Marc Cook, to document the birth of the 999-from the earliest design ideas through final production. In an industry where product plans and manufacturing techniques are usually guarded like state secrets, Cathcart and Cook were given complete access to the designers, engineers, and technicians who worked to make the 999 a superbike sensation.

Congratulations to Heather Dune Macadam for enabling the rest of us to sit down and just marvel at how on earth they did it." —Anne Sebba, New York Times bestselling author of Les Parisiennes and That Woman "An important contribution to the literature on women's experiences." —Dr. Rochelle G.
