Saints Around the World Meg Hunter-Kilmer, 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God's tremendous love and our call to be saints. There are stories in *Saints Around the World* for when you feel like life isn't fair, when people are being unkind to you, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed

Saints, disabled Saints—and the point of every one of them is the love of God. Whether you're checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.

**Applied Behavior Analysis** Kimberly Maich, Darren Levine, Carmen Hall, 2016-12-30 This textbook offers real-world case studies for using Applied Behavior Analysis (ABA) to create, implement, and appraise behavior intervention programs across a variety of client situations. Its chapters are formatted for ease of use and retention and organized to focus on the core components of ABA: assessment, planning, implementation, evaluation, and research/ethics. Illustrative cases represent a diversity of problem behaviors, settings, social contexts, and life stages, and includes questions about data collection, goal setting, communication with families, and other processes of effective ABA practice. Together they emphasize not only the content knowledge involved in designing interventions, but also the interpersonal skills necessary for helping change complex challenging

behaviors. These fifty case studies: Are suited to individual or team training. Present guiding questions regarding ABA process and professional practice. Feature charts, forms, templates, and other practical tools. Include links to Behavior Analyst Certification Board resources. Demonstrate the flexibility of ABA for use with children, adolescents, adults, or seniors. Applied Behavior Analysis: Fifty Case Studies in Home, School, and Community Settings is an essential text for graduate students, researchers, and practitioners in child and school psychology, behavior analysis, learning and instruction, counseling, and education. This singular volume models critical thinking and professional development in keeping with best practices and professional standards.

*Tinkerlab* Rachelle Doorley, 2014-06-10 55 playful experiments that encourage tinkering, curiosity, and creative thinking—hands-on activities that explore art, science, and more. For children of all ages, from toddlers to teenagers! The creator of the highly popular creativity site for kids, Tinkerlab.com, now delivers dozens of engaging, kid-tested, and easy-to-implement projects that will help parents and teachers bring out the natural tinkerer in every kid—even babies, toddlers, and preschoolers.
