From Cave Man to Cave Martian Manfred "Dutch" von Ehrenfried,2019-04-05 This book explores the practicality of using the existing subsurface geology on the Moon and Mars for protection against radiation, thermal extremes, micrometeorites and dust storms rather than building surface habitats at great expense at least for those first few missions. It encourages NASA to plan a precursor mission using this concept and employ a "Short Stay" Opposition Class mission to Mars as the first mission rather than the "Long Stay" concept requiring a mission that is too long, too dangerous and too costly for man's first missions to Mars. Included in these pages is a short history on the uses of caves by early humans over great periods of time. It then describes the ongoing efforts to research caves, pits, tunnels, lava tubes, skylights and the associated technologies that pertain to potential lunar and Mars exploration and habitation. It describes evidence for existing caves and lava tubes on both the Moon and Mars. The work of noted scientists, technologists and roboticists are referenced and described. This ongoing work is more extensive than one would think and is directly applicable to longer term habitation and exploration of the Moon and Mars. Emphasis is also given to the operational aspects of working and living in lunar and Martian caves and lava tubes.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

GURPS Psionics David L. Pulver,2003-05 -- Adds many new mental powers to GURPS...lets players create more powerful characters. -- By one of the GURPS system's most popular authors.

Adventure Kartel Ashley Wood,2014-10-28 This gorgeously oversized hardcover from the creators of Lore presents the comics, posters, conceptual designs, sketches, and other beautifully rendered miscellany involving Tommy Mission and his Adventure Kartel in their battles with Zomb MD and his undead minions. Ashley Wood's artistry is available to all on a grand 11 x 17 format!

Architecture Beyond Experience Michael Benedikt,2020-03-15 Architecture Beyond Experience is an interdisciplinary work in the service of one goal: the bringing about of a more relational, posthuman and yet humanist strain in architecture. It argues against the values that currently guide much architectural production (and the larger economy's too), which is the making, marketing, and staging of ever more arresting experiences. The result, in architecture, is experientialism: the belief that what gives a building value, aside from fulfilling its shelter functions, is how its views and spaces make us personally feel as we move around it. I argue that it's time to find a deeper basis for making and judging architecture, a basis which is not personal-experience-multiplied, but which is dialogical and relational from the start. I use the word relational to describe an architecture that guides people in search of encounter with (or avoidance of) each other and that manifests and demonstrates those same desires in its own forms, components, and materials. Buildings are beings. When architecture, they teach as well as protect; they tell us who we were and who we want to be; they exemplify, they deserve respect, invite investment, and reward affection. These are social-relational values, values that both underlie and go beyond experiential ones (sometimes called phenomenological). Such relational values have been suppressed, in part because architects have joined the Experience Economy, hardly noticing they have done so. Architecture Beyond Experience provides the argument and the concepts to ultimately re-center a profession.

Legends of Localization Book 1 Clyde Mandelin,2015-11-27 An in-depth exploration of the localization of Nintendo's blockbuster franchise from Japanese to English.

Life After Darkness Michelle Knight,2018-05-01 From Michelle Knight-Cleveland kidnapping survivor and #1 New York Times bestselling author of Finding Me comes an inspirational book about healing and resilience, on the five-year anniversary of her escape. Michelle Knight -- now known as Lily Rose Lee -- captured the world's attention in May 2013, when she and two fellow kidnapping victims were found and freed after being held for more than a decade by notorious Cleveland kidnapper Ariel Castro. But many people are still asking: What happened after her escape? How do you re-enter society after years of abuse and isolation? How do you get past the trauma and live a happy and joy filled life? How do you learn to trust again? In Life After Darkness, published on the fifth anniversary of her liberation, Lily describes how she managed to heal the wounds to her body, mind, and soul-wounds, she reveals, that were first inflicted even before her kidnapping. With the help of good friends and anchored by her own inner strength, she takes us with her step by step on her journey out of darkness into the light. An inspiring story -- and for anyone who has dared to hope after suffering, a guidebook to finding new purpose for a meaningful life.

Investitude ,2008-09-01

Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts Dr Derek Diedricksen,2012-02-01 This Old House meets Wayne's World in this zany guide to designing and building tiny homes Derek Diedricksen has always had a love for small, modest houses ever since his father gave him the book Tiny Tiny Houses by Lester Walker for his tenth birthday. Combining his artistic abilities, wild imagination, and his passion for small houses, he self-published Humble Homes, Simple Shacks, Cozy Cottages, Ramshackle Retreats, Funky Forts, and Whatever the Heck Else we could Squeeze in Here in 2009. This book is a collection of Diedricksen's creative/imaginative sketches for building small houses, shacks, cottages, and forts. The sketches are accompanied with hand-written commentary, both instructive and comical. Derek's main purpose is to get your creative juices flowing and encourage you to get off the couch and use your hands. Believing that specific building plans squash creativity, he avoids too many detailed instructions, giving you the chance to put your own creative spin on your very own small abode (even if it is just in your imagination).

Art of Tomorrow Kings Ashley Wood,2016-05-10 The vibrant and mysterious world of Ashley Wood's Tomorrow Kings comes to life in this collection of art and photography. Documenting the lushly designed Tomorrow Kings figures by 3A alongside the kinetic art that inspired the ideas, this coffee table art book is the ideal addition for any collection of Wood. This premiere North American edition includes new artwork and images, each selected by the artist.

The Battle for the Solar System (Complete Trilogy) Stephen J Sweeney,2012-12-01 The Pandoran war machine ravaged the galaxy, driving the human race to the brink of destruction. Seven men and women stood in its way. This is their story. (Note: this book contains all three novels in the trilogy - The Honour of the Knights (Second Edition), The Third Side, and The Attribute of the Strong. It is not a fourth novel.

Embrace the Night Karen Chance,2008-04-01 View our feature on Karen Chance's Embrace the Night. Cassandra Palmer may be the world's chief clairvoyant, but she's still magically bound to a master vampire. Only an ancient book called the Codex Merlini possesses the incantation to free Cassie-but harnessing its limitless power could endanger the world... Read Karen Chance's posts on the Penguin Blog.

The Starlight Calliope Andrew Hussie,2012-12 Details the adventures of Whistles, a clown in the Starlight Calliope circus, who retains his innocence and optimism even as he is forced to flee after being exposed to the corrupt underworld of the circus.

Embroidery in Religion and Ceremonial Beryl Dean,1981

The Lawson Sisters Janet Gover,2020-02-01 A heartfelt and compelling story of family, secrets and second chances, set in the heart of the beautiful Hunter Valley of NSW, from an award-winning new voice in Australian fiction. Family, fortune and holding on to what counts... For many years Elizabeth Lawson has battled single-handedly to run the family's historic horse stud in memory of her beloved father. But a devastating loss puts her dreams at risk. With no options left, Liz is forced to turn to her estranged sister Kayla for help. Kayla has built a new life in the city as a wedding planner, far removed from the stableyard sweat and dust of her rural upbringing. She never thought she'd go back. But when Liz calls out of the blue, Kayla forms a plan that could save their childhood home. Kayla's return forces Liz to confront her past ... and her future, in the shape of Mitch, her first and only love, who still watches over her from the other side of the creek. But Liz still hides a terrible secret. When Kayla learns the truth, will the Lawson sisters find common ground or will their conflict splinter the family once again? PRAISE FOR JANET GOVER: 'A stirring family drama, set to a spectacular rural stage ... The Lawson Sisters is an exceptional read from cover to cover.' - Mrs B's Book Reviews 'Easy to read and beautifully written - the characters came to life...' - Beauty and Lace 'With the scent of eucalyptus on the air, estranged sisters and a homestead echoing past regrets and missed chances, The Lawson Sisters has everything you want in an Aussie romance.' - Fiona Lowe, bestselling Australian author

Bluntman and Chronic Kevin Smith,Michael Avon Oeming,Michael Allred,2001 Popular Feature Film director/writer Kevin Smith (Chasing Amy, Dogma) brings his world famous slacker creations Jay and Silent Bob as their `super-hero` personals : Bluntman and Chronic! Specifically timed to coincide with the release of Kevin's new film: Jay and Silent Bob Strike Back! (August 2001) This story is culled directly from what will become one of the summer's biggest smash releases! A photo cover ensures instant sales from film and movie buffs. Place it in the film or pop culture sections and to attract a whole new audience into the growing graphic novel genre.
