**A Tale of Two Brothers** Eveline Hasler, 2022-05-03 In this version of the Swiss folktale, two humpback brothers, one good and friendly, the other bad-tempered and lazy, have their lives changed by a trip to their old hut in the mountains.

*Two Brothers* Ben Elton, 2012-11-08 Bestselling author Ben Elton's most personal novel to date, *Two Brothers* transports the reader to the time of history's darkest hour. Berlin 1920 Two babies are born. Two brothers. United and indivisible, sharing everything. Twins in all but blood. As Germany marches into its Nazi Armageddon, the ties of family, friendship and love are tested to the very limits of endurance. And the brothers are faced with an unimaginable choice... Which one of them will survive?

Two Brothers Gabriel Bá, Fabio Moon, 2015-10-27 Twin brothers Omar and Yaqub may share the same features, but they could not be more different from one another. And the possessive love of their mother, Zana, stirs the troubled waters between them even more. After a brutally violent exchange between the young boys, Yaqub, "the good son," is sent from his home in Brazil to live with relatives in Lebanon, only to return five years later as a virtual stranger to the parents who bore him, his tensions with Omar unchanged. Family secrets engage the reader in this profoundly resonant story about identity, love, loss, deception, and the dissolution of blood ties. Set in the port city of Manaus on the riverbanks of the Amazon, *Two Brothers* celebrates the vibrant life and diversity of Brazil. Based on a work by acclaimed novelist Milton Hatoum, *Two Brothers* is stunningly reimaged by the award-winning graphic novelists Fábio Moon and Gabriel Bá. This work goes far beyond its publicity hook, which is that Eisner award-winning Brazilian

twin brothers (Casanova, Daytripper) have adapted Milton Hatoum's classic novel about twin brothers to the graphic novel form. Narrated mostly by Nael, the illegitimate son of one of the brothers, the tale is presented in a nonlinear narrative with multiple flashbacks, as stories within stories begin to fill in the greater family chronicle spiraling around the twins and their simmering rivalry and hatred. The intricate secrets and lies at the heart of families are set against a backdrop of almost cinematic cityscapes and vistas. Bá and Moon present the naturalistic dynamism of Brazil in their art: sweeping, dramatic organic shapes against the sharp angularity of the people. The stark b&w art crackles to express the subtleties of palpable, barely contained tension between kin, a brutal police beating, and the erotic electricity of an exotic dance. Bá and Moon bring a cool, confident sharpness to their narrative to reflect the shades of gray in this powerful family saga. -Publishers Weekly (Starred review) "TWO BROTHERS is a feat of bravura visual storytelling, a revealing and nuanced work of family portraiture, and a thrilling act of historical re-imagination. It is clearly the work of two major artists, two master collaborators, operating at the peak of their powers." -Michael Chabon, The Amazing Adventures of Kavalier and Clay "I cannot think of a single gift more pure than the gift the twins possess. Gabriel and Fabio give the world something unique, and precious. It is most amazing to be alive in a time where two creators such as these exist - they give us another reason to wake up and another way to see the world. Two Brothers, like their other work, is another masterpiece, but so different in it's pacing and tone than anything they have done before. I am lucky to share the same planet with them, because they are kind enough to share their stories with me, and the world." -Gerard Way, The Umbrella Academy "This book

immediately jumps onto the list of the most essential graphic novels you will read in your lifetime. Two amazing creators at the top of their game, telling a story in a way only they can tell it. What a gift. What a treat.” –Brian Michael Bendis. Powers “Moon and Bá have long been cartoonists of extraordinary skill, and with Two Brothers they have created their masterwork. Their passion for the comics medium bleeds through in every brushstroke and pen line. This is a stunning book that will touch your heart and leave you breathless.” –Jeff Lemire, Descender “TWO BROTHERS is a haunting tribute to sibling love, brotherly hatred, and the kinetic energy when those two forces fuel a family. The deep sense of place, the palpable sorrow of nostalgia, the aura of truth: once again Ba and Moon bring it like no one else in graphic storytelling. –Mat Johnson, Loving Day “This is an extraordinary work. Moon and Bá, two men already on top of their game, have rewritten what we thought the game was. The comic book was created as entertainment. Two Brothers is proof comics can be Art. The wider your eyes get, the more it touches your heart.” –Brian Azzarello, 100 Bullets Speaking of brothers that both work in comics: TWO BROTHERS is a visually stunning work that makes me dizzy with admiration. Attention to detail, the concern with communicating with the reader on emotional terms as well as intellectual, it is a classic example that artistic chops still matter in the modern comics world. In fact it matters more than ever now. –Gilbert Hernandez, LOVE & ROCKETS “Moon and Bá have both shot for the stars here... TWO BROTHERS is a striking graphic novel that allows fans to see a different aspect of two of the very best creators in comics– come and see what flavor of genius the Brazilian-based brothers have crafted from the work of Milton Hatoum.” –COMICS BEAT “As anyone who’s read The Umbrella Academy, Casanova,

or Daytripper knows, Moon and Bá are two of the most gifted artists in the comics world. Their new graphic novel, based on the Brazilian novel Dois Irmãos, may be their most ambitious work yet, and the preview art glows. Moon and Bá are themselves Brazilian twins, so it's easy to see how they were attracted to the story." -io9 "Riveting... Two Brothers is an earthquake both visually and narratively.... Moon and Bá are in clear control of every element of Two Brothers, bringing to life a city, history, and compelling story of a family locked in obsession." -FANBOY COMICS

**Journals of Brother Roger of Taizé, Volume 2** Brother Roger of Taizé, 2023-04-20 This is the second volume of the personal journals of Roger Schutz-Marsauche (1915-2005), known as Brother Roger, the founder and first prior of the Taizé Community in France, an ecumenical monastic community that strives to live as a parable of community in a divided world. Taizé is known especially for its music and contemplative style of worship, and as a place where tens of thousands of young Christians flock each year to spend a time of prayer and reflection. This volume covers the years from 1969 to 1972 and is centered on the genesis and first preparations of a Council of Youth. The project was inspired by the crisis in the Catholic Church in the wake of the Second Vatican Council, and the slowdown of ecumenism after the glowing hopes kindled in the wake of the Council. It was an attempt to take seriously the aspirations of the younger generation and orient them in a positive direction. Brother Roger also talks in these pages about the ongoing life of the community, his personal spiritual journey, and many important encounters that took place in those eventful years.

Alberto Giacometti became one of the iconic artists of the twentieth century, whose tall, spindly sculptures grace the collections of museums around the world. Diego was always at his side, helping and encouraging, and in his spare time creating remarkable pieces of furniture, works of sculpture in their own right. The poignant story of brothers and sculptors Alberto and Diego Giacometti is skillfully brought to life in the hands of multiple Sibert Honor authors Jan Greenberg and Sandra Jordan, and the spectacular artwork of Hadley Hooper. This lavishly illustrated 64-page book includes extensive backmatter, complete with a timeline, source notes, photographs, and an essay on how to look at a Giacometti sculpture.
