**Where the Falcon Flies** Adam Shoalts,2023-10-03 #1 NATIONAL BESTSELLER From Canada’s most accomplished adventurer and storyteller comes a gripping journey into the vastness of Canada’s landscape and history. Looking out his porch window one spring morning, Adam Shoalts spotted a majestic peregrine falcon flying across the neighbouring fields near Lake Erie. Each spring, falcons migrate from southernmost Canada to remote arctic mountains. Grabbing his backpack and canoe, Shoalts resolved to follow the falcon’s route north on an astonishing 3,400-kilometre journey to the Arctic. Along the way, he faces a huge variety of challenges and obstacles, including storms on the Great Lakes, finding campsites in the urban wilderness of Toronto and Montreal, avoiding busy commercial freighter traffic, gale force winds, massive hydroelectric dams, bushwhacking without trails, dealing with hunger, multiple bear encounters, and navigating white-water rapids on icy northern rivers far from any help. In his signature style, Shoalts roams as much across space as he does time, winding his way through a stunning diversity of landscapes ranging from lush Carolinian forests to lonely windswept mountains, salty seas to trackless swamps, pristine lakes to glittering mega-cities, as well as the sites of long ago battles, shipwrecks, forgotten forts, and abandoned trading posts. Through his travels, he reveals how interconnected wild places are, from the loneliest depths of the northern wilderness to busy urban parks, and the vital importance of these connections. Where the Falcon Flies invites readers on an extraordinary armchair adventure that spans five ecoregions and centuries of fascinating history, and is a masterwork by one of Canada’s most successful and audacious authors.

**H. R. 3400, Government Reform and Savings Act** U. S. Committee on Governmental Affairs,2016-12-24 Excerpt from H. R. 3400, Government Reform and Savings Act: Hearing Before the Committee on Governmental Affairs, United States Senate, One Hundred Third Congress, First Session But I think that in the Defense Department, when you are talk ing about \$260 billion and you have services there at \$80, \$90 bil lion of budgets and \$300 billion of assets, it makes all the sense in the world to have separate statements there. I think like at Treasury it makes a lot of sense to have separate statements for the Customs department and for the irs department. It is kind of like the big holding companies in the private sector. In other words, when you have manufacturing facilities and banks and insurance companies and everything like that, you ask for sep arate statements on those in addition to the consolidated state ment. And so I think we ought to figure out the major breakdown of the Government in the same way and the same on big funds. And we have done that as part of the pilot. If you think about it, Mr. Chairman, we have audited some of the big funds. We have also audited some of the department-wide statements.
