## **Revised Form 990** Jody Blazek, Amanda

Adams, 2009-04-22 A line-by-line preparation guide to the completely new and revised Form 990 for nonprofit organizations The accurate and complete preparation of Form 990—the information return that must be filed annually by most types of tax-exempt organizations—is a key factor in maintaining public image and fundraising capabilities. The newly redesigned Form 990 was released in December 2008 with significant revisions to the initial June 2007 draft. Preparation of the new return will require tax-exempt organizations to gather extensive new information about their activities for disclosure on the new form beginning with their 2008 tax year. In *Revised Form 990: A Line-by-Line Preparation Guide*, authors Jody Blazek—who with other AICPA Task Force members was instrumental in effecting changes to the original IRS draft of the form—and Amanda Adams, provide step-by-step and line-by-line analysis and preparation guidelines for nonprofit professionals and nonprofessionals alike charged with preparing and submitting the form. This hands-on workbook walks you through the process of producing an annual report to the IRS that demonstrates continued qualification for exempt status for a nonprofit organization, explaining the information requested page by page and part by part. It addresses the issues and challenges for each part, particularly the new schedules. As each part is explained, the authors suggest when certain answers have negative consequences. Guidance is provided for functional

expense reporting and generally accepted accounting principles for reporting revenues. A good discussion of the differences between book and tax reporting and records needed to accurately display financials for tax purposes is included. The Form 990-PF and Form 990-T are also examined.

**The New Form 990** Bruce R. Hopkins, Douglas K. Anning, Virginia C. Gross, Thomas J. Schenkelberg, 2008-12-17 The New Form 990 covers the law, policy, and preparation of the new IRS Form 990. It includes summaries of the law underlying each of the parts and questions in the return, so that the preparer can understand the background law in formulating answers on the return. The subject matter is particularly timely and relevant given the release of the draft Form 990 last summer, the expected release of the final Form 990 in early 2008, and the commencement of the first tax year to which the form applies on January 1, 2008.

Searing, 2018-04-10 Mastery of the current Form 990 beyond its Core Form pages requires an understanding of the Form's transparency demands relating to multiple complex issues, including: Transactions with certain insiders, expanded disclosure of highly-comp'd individuals' calendar year compensation, identifying and reporting in the presence of, related organizations, nuances of the two public support tests, undertaking of foreign operations, and more. This book covers the most advanced tax and nonprofit issues related to Form 990's Schedules. You will not only gain an understanding of the tax and practical points necessary to complete Schedules A, C, F, J, K, L, N, and R of the current Form 990, but you will also be advised as to how to communicate with exempt clients on each of these Schedules' unique demands. This book will prepare you to do the following: Distinguish between the in-flows of each of the public support tests, apply each test's calculations, and identify what defines a supporting organization, and note such entities' types and attendant reporting obligations. Distinguish the reporting obligations of 501(c)(3) organizations with respect to lobbying versus that of the proxy tax in place for 501(c) (4), (5), and (6) organizations, and note required electioneering reporting of all 501(c) entities. Recognize the triggers for Schedule F. Recall the definitions of Interested Persons applied within each Part of Schedule L. Recognize the expanded compensation reporting and management practices

inquired of in Schedule J. Appreciate both the need for bond counsel involvement in completing Schedule K and the diverse scenarios that trigger Schedule N. Identify the common reporting disclosures required in the presence of related organizations and the unique reporting demands applied, based on type of entity.

### **Form 990 Late-Filing Penalty Abatement Manual**

David McRee, 2012-11-29 The IRS assesses hefty penalties against nonprofit organizations that don't file their Form 990 returns on time. But the law says that the penalties will be abated (removed) if the organization can show reasonable cause. This book shows you what you need to know to write the most effective reasonable cause penalty abatement request letter possible to the IRS given your circumstances. It is written for nonprofit founders, managers, and their professional advisers, such as CPA's and attorneys. The book contains the relevant law and IRS guidance along with the knowledge I've gained by writing letters to the IRS on behalf of nonprofits for over 14 years. It also contains the text of more than seven letters that were successful in having late-filing penalties abated, plus a letter template to help you get started on your letter. You'll also find helpful information on filing Form 1023 after the due date as well as on requesting retroactive reinstatement after revocation for non-filing. This is an excellent desk reference for anyone responsible for preparing and filing Form 990 for nonprofit organizations. It will help you quickly and confidently structure and compose an abatement

request letter that will significantly increase your chances for success. If you are a CPA or other professional adviser, offering an opportunity for relief from onerous IRS penalties is a valuable service to offer your nonprofit clients. How often do you get a chance to do something that will potentially save your clients tens of thousands of dollars? The IRS, under direction from Congress, is getting tougher on nonprofits. Success in obtaining abatement depends on familiarity with the law, with the applicable Treasury Regulations, and with how the IRS processes penalty abatement requests for nonprofits. The Form 990 Late-filing Penalty Abatement Manual will guide you through the process step-by-step and will show you how to convince the IRS that the organization qualifies for penalty abatement.
