Paper Chasers Mark Anthony,2013-08-01 During the summer of 1991, the crack epidemic is destroying lives in cities across the U.S., and New York City is no exception. The members of Fourth Crew live in Queens, where crack addiction has swept through the ghetto and the dealers rule the streets. These young thugs come from middle-class homes in a middle-class neighborhood, but this doesn't make them immune from the lure of fast money and power. They enter the game with dreams of living the high life, but are soon swept up in the violence and betrayal that come with the territory. It doesn't take them long to understand that there are serious repercussions to chasing paper. Loosely based on the author's life, Paper Chasers takes us into the minds of these young hustlers and gives readers a realistic portrait of life on the streets. It's a tale of good and evil that chronicles the ways in which money can destroy friendships, challenge morals, and corrupt even those sworn to serve and protect. An Essence bestseller upon its release, Paper Chasers has become a gritty street classic.

The Marlowe Papers Ros Barber,2013-01-29 Winner of the 2013 Desmond Elliott Prize Longlisted for the 2013 Women's Prize for Fiction You're the author of the greatest plays of all time. But nobody knows. And if it gets out, you're dead. On May 30, 1593, a celebrated young playwright was killed in a tavern brawl in London. That, at least, was the official version. Now Christopher Marlowe reveals the truth: that his death was an elaborate ruse to avoid a conviction of heresy; that he was spirited across the English Channel to live on in lonely exile; that he continued to write plays and poetry, hiding behind the name of a colorless man from Stratford—one William Shakespeare. With the grip of a thriller and the emotional force of a sonnet, this remarkable novel in verse gives voice to a man who was brilliant, passionate, and mercurial. A cobbler's son who counted nobles among his friends, a spy in the Queen's service, a fickle lover and a declared religious skeptic, Christopher Marlowe always courted trouble. In this memoir, love letter, confession, and settling of accounts, Ros Barber brings Christopher Marlowe and his era to vivid life in The Marlowe Papers.

StingRay is a stuffed stingray. And Plastic... well, Plastic isn't quite sure what she is. They all belong to the Little Girl who lives on the high bed with the fluffy pillows. up in the dictionary, explore the basement, and argue about the meaning of life.
