(Unlike digital art.) This book contains 8 floor paper patterns to decorate 8 rooms. There are several books in this series with the same name. The cover shows you exactly what floor paper you're getting. So feel free to browse them all and enjoy. All designs in this series were adapted from authentic sample books. These designs look perfect in period dollhouses as well as some more modern ones. Floor paper is a large part of what gives a dollhouse that finished and homey feel.
