**Tied Up in Customs** Cassandra Chandler,2017-06-23 On the battlefield of desire, he has the advantage. Eric Peterson has one goal: get his AWOL asset, Brendan, back to work on a classified communications relay his superiors want finished yesterday. When Eric tries to reconnect, a gorgeous-and strange-woman shows up in Brendan's place, claiming to be an alien on a mission to save the planet. Sorca has been sent to bring Eric to the Arbiter so that he can join the Department of Homeworld Security...or receive a mindwipe if he's not interested. As the strongest soldier in the Coalition fleet, her plan is simple-ask him nicely, and if he says no, take him anyway. But the more contact she has with the Earthling, the more her thoughts turn from battling the human to bedding him. The distraction could land them in the claws of an enemy they'll never see coming, because Sorca isn't the only alien with a mission on Earth. Author's note: Have you ever wanted a quick read with super-hot love scenes, wacky hijinks, and whimsical puns? Presenting The Department of Homeworld Security! **If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**The Haiti Reader** Laurent Dubois,Kaiama L. Glover,Nadève Ménard,Millery Polyné,Chantalle F. Verna,2020-01-20 While Haiti established the second independent nation in the Western Hemisphere and was the first black country to gain independence from European colonizers, its history is not well known in the Anglophone world. The Haiti Reader introduces readers to Haiti's dynamic history and culture from the viewpoint of Haitians from all walks of life. Its dozens of selections—most of which appear here in English for the first time—are representative of Haiti's scholarly, literary, religious, visual, musical, and political cultures, and range from poems, novels, and political tracts to essays, legislation, songs, and folk tales. Spanning the centuries between precontact indigenous Haiti and the aftermath of the 2010 earthquake, the Reader covers widely known episodes in Haiti's history, such as the U.S. military occupation and the Duvalier dictatorship, as well as overlooked periods such as the decades immediately following Haiti's “second independence” in 1934. Whether examining issues of political upheaval, the environment, or modernization, The Haiti Reader provides an unparalleled look at Haiti's history, culture, and politics.
