*Twelve Years a Slave* Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*America's National Game* Albert Goodwill Spalding, 1911 This book is Albert Spalding's work of historic facts concerning the beginning, evolution, development and popularity of base ball, with personal reminiscences of its vicissitudes, its victories and its votaries. It is one of the defining books in the early formative years of modern baseball.

*Galactic Pot-healer* Philip K. Dick, 1994 What could an omnipresent and seemingly omnipotent entity want with a humble pot-healer? Or with the dozens of other odd creatures it has lured to Plowman's Planet? And if the Glimmung is a god, are its ends positive or malign? Combining quixotic adventure, spine-chilling horror, and deliriously paranoid theology, *Galactic Pot-Healer* is a uniquely Dickian voyage to alternate worlds of the imagination.

He has published extensively on Italian environmental history and edited *Views from the South: Environmental Stories from the Mediterranean World*. --

**Sissy Dreams: From Boyfriend to Girlfriend** Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

**I Will Survive** Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including *Honey Bee*, *I Got You Under My Skin*, *Never Can Say Goodbye*, and the song that has immortalized her, *I Will Survive*, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs,

and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

**Moon-face and Other Stories** Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways - robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. *The son of the Wolf* (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, *The Call of the Wild* (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including *The Sea-Wolf* (1904), *White Fang* (1906), *South Sea Tales* (1911), and *Jerry of the South Seas* (1917). One of London's most interesting novels is the semi-autobiographical *Martin Eden* (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

*The First Quarter* Steve L. Kent, 2000 As a child, Philip Sherlock loved to listen to folk tales. Since then he has made a significant contribution to Caribbean folklore by recording many of them in print for the first time. Here are fables of the birds and animals of the West Indies: jaguar, snake, crested curassow, wild pig, parrot, wise owl, and of Anansi--the spider who can assume human form. These twenty-one stories are a wonderful mixture of early tales from the Arawak and the Carib people, the original inhabitants of the Caribbean, and from the Ashanti people of West Africa. Read together they help to provide a background to the history of the West Indies. The stories are retold here in a warm, rich style--some tales gentle and philosophical, some humorous and full of action.
