Fabulous Origami Boxes Tomoko Fuse, 2003

Joyful Origami Boxes Tomoko Fuse, 1996 All the boxes are made up of individual units. Folding the units is simple and easy, and joining them has some of the fascination of a puzzle. It is interesting to see the same units turn into a variety of boxes by changing the combination. Intended for an inexperienced beginner, the step-by-step drawings are clear and easy to follow. They show exactly how to make each fold and crease to create the handsome boxes. Ranging from basic triangle and square boxes to the more demanding hexagonal, heptagonal, and octagonal, the delightful and varied works are highly stimulating. Most of the boxes may be utilized as actual containers and decorations.

Origami Journey Dása Severová, 2018-05-08 This book takes you onto an amazing journey into the world of geometric origami, a world full of shapes and colors. The author presents detailed step-by-step instructions for more than 35 original origami designs: stars, flowers, decorations and boxes. The models vary in difficulty from simple to complex. The book is divided into three chapters. The first chapter showcases modular models - models constructed from several identical units connected only by folding. The second chapter explores how to fold beautiful practical three dimensional models such as boxes, all from a single sheet. The third chapter focusses on decorative models such as stars and flowers, each to be folded from a single square or from other regular polygons. The Appendix will teach you how to obtain these regular polygons from usual square origami sheets or rectangles by folding and cutting them along the creases. This book is suitable for beginners and advanced origamists alike, offering challenging and appealing projects to everyone. With their unique style of diagramming, the instructions are precise, clear and easy to understand. If you like the beauty of geometry and enjoy being creative with your hands, this book is for you. Whether you are familiar with origami or not, it offers many hours of enjoyment.
