Mighty Fitz Michael Schumacher,2008-12-01 The disappearance of the Edmund Fitzgerald remains one of the great unsolved mysteries in maritime history. Michael Schumacher relays in vivid detail the story of the Edmund Fitzgerald, its many productive years on the waters of the Great Lakes, its tragic demise, the search effort and investigation, as well as the speculation and the controversy that followed in the wake of the disaster. Michael Schumacher is the author of six books. He has written 25 documentaries on Great Lakes shipwrecks, including three about the Edmund Fitzgerald. In his ballad, Mr. Lightfoot sang about the Fitz's final tense moments, when the waves turn minutes to hours: Now the hours have lengthened into years and years into decades-but the allure of this doomed ship and its missing men remains as strong as ever.-Wall Street Journal

Tree Shaker Bill Keller,2008 Without deifying its subject, this biography looks at the life of Nelson Mandela, placing his awe-inspiring political accomplishments into historical context for young readers.

A Dictionary of Cebuano Visayan John Wolff,2016-01-27 This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

A Missionary in Tibet Ippolito Desideri,1998 This rare work is a compilation of letters and other papers belonging to Fr. Desideri, who lived in Tibet as a missionary from 1712-21. It is perhaps the earliest known account about life in Tibet, and gives a valuable documentation of his journey and experiences in 18th century Tibet, at a time when few westerners had even heard about this exotic land.

El Conservador George H. Rodriguez,2018-09-12 George H. Rodriguez has dedicated his life to sharing conservative values with fellow Hispanics and all Americans. As a Ronald Reagan and George H. Bush appointee, he worked with the Department of Justice in community relations and immigration outreach, going on to work with the White House and on President Bush's 1988 presidential campaign. In recent years, Rodriguez has served with the GOP and was one of the first Hispanics to be president of a major Tea Party group. Now in El Conservador: Conservative Opinions, George H. Rodriguez shares a hard-hitting collection of his political essays and commentaries. As a nationally known blogger and political commenter, George Rodriguez is a constitutional conservative Texan of Mexican descent, also known as a Tejano. His essays reflect his belief in personal freedom, and they support the idea that all Texans and Americans should live life as they wish, as long as it does not harm others or infringe on another person's rights. With a commitment to conservative values--and in some cases with a little bit of a chile picoso attitude--Rodriguez focuses on critical political topics that all Americans should be informed about: from the basics of constitutional government, personal property ownership, and states' rights to contemporary issues like the debt, immigration, and so-called diversity. Because liberal misinformation and a growing government can be dangerous to the freedom and liberty of citizens,

Rodriguez believes it is important to remember why America is the greatest nation on earth and protect its God-given destiny.
