**Day of the Rangers** Ambush Alley Ambush Alley Games,2012-03-20 In the early 90s, Somalia was a country in chaos. As civil war raged, warlords carved out their own territories, enforcing their will through militia gangs, while famine compounded the situation. As a joint US–UN mission struggled to maintain order, the warlords began to unite behind Mohamed Farrah Aidid, who was to proclaim himself President of Somalia and embark upon a campaign to force the peacekeepers out of the country. Operations against Aidid and his strongholds intensified, culminating in the famous Operation Gothic Serpent, and the rescue mission to save a downed Black Hawk helicopter carried out by US Rangers and Delta Force operatives. Day of the Rangers, the latest companion for Force on Force, provides wargamers with all the background, orders of battle, and scenarios they need to immerse themselves in the epic battle for Mogadishu.

**Cold War Gone Hot** Ambush Alley Ambush Alley Games,2011-11-20 My fellow Americans, I'm pleased to tell you today that I've signed legislation that will outlaw Russia forever. We begin bombing in five minutes.†? – Ronald Reagan, 1984. With these words, spoken as a sound check to a radio broadcast, President Reagan came dangerously close to igniting the long-simmering Cold War. Although Soviet forces were placed on alert following reports of this comment, the full-scale conflict between the West and the Soviet Bloc did not break out. Cold War Gone Hot, the latest companion volume for Force on Force, looks at the 44-year history of the Cold War and asks: what if?†? With the orders of battle, vehicle stats and missions included in this volume, Force on Force players can simulate the advance of Soviet tanks across Western Europe, a thrust into Alaska, or any number of other plausible scenarios where history took a slightly different path.

**Deathwatch: Honour the Chapter** Fantasy Flight Games,2013-01-08 Honour the Chapter, a supplement for Deathwatch, provides a wealth of options for players interested in characters drawn from Chapters created during the Second or subsequent Foundings. Scenarios and special rules offer something for all Bolt Action players, regardless of the armies they collect.

**Classified** Ambush Alley Ambush Alley Games,2013-02-20 From covert actions against insurgent groups and daring sabotage missions to precision strikes against fortified positions and reconnaissance deep behind enemy lines, the special forces units deployed by many nations are the spearhead of modern combat operations. Classified, the latest companion volume for Force on Force, allows wargamers to recreate any and all of them. With detailed background information, extensive orders of battle for the world's preeminent special forces units, and a range of scenarios, Classified gives Force on Force players a detailed and realistic experience of modern special operations missions across the globe.

**Burnished Rows of Steel** Jeremy Davies,2016-01-05 Most who read the Declaration of Independence find three foundational liberties promised to our citizens: life, liberty, and the pursuit of happiness. An increasing number of citizens seem to be discovering the fourth: the right to alter or abolish a form of government that leads invariably to tyranny. Since leaving the military and his security contracting work behind, Dave has been preparing himself for the time when exercising the right to alter or abolish may become necessary. When he is approached on behalf of some powerful men who are prepared to risk their fortune to strike a blow against the political tyranny embodied by the president, Dave is prepared to accept the role of assassin. As he prepares to accept the mission of a lifetime, an alternate narrative begins to unfold. He struggles to discover whether the hit will be on behalf of a besieged gun maker or whether it has been orchestrated by members of the president's own party, who feel that his death would rescue the chances of their party heading into an election. As the motive becomes clear, so does Dave's course of action. He is caught in a race against time to thwart their plans, not for the leader of a country but for the life of a friend.

**Chez Dork** Steve Jackson Games,2002-04

**Bolt Action: Empires in Flames** Warlord Games,2015-10-20 Far from the battlefields of Europe and North Africa, Allied forces fought a very different war against another foe, from the jungles of Burma to the islands of the Pacific and the shores of Australia. This new Theatre Book for Bolt Action allows players to command the spearhead of the lightning Japanese conquests in the East or to fight tooth and nail as Chindits, US Marines and other Allied troops to halt the advance and drive them back. Scenarios, special rules and new units give players everything they need to recreate the ferocious battles and campaigns of the Far East, from Guadalcanal to Okinawa, Singapore, the Philippines, Iwo Jima and beyond.
