Becoming Wild Carl Safina,2020-04-14 A NEW YORK TIMES NOTABLE BOOK OF 2020 In this superbly articulate cri de coeur, Safina gives us a new way of looking at the natural world that is radically different.—The Washington Post New York Times bestselling author Carl Safina brings readers close to three non-human cultures—what they do, why they do it, and how life is for them. A New York Times Notable Books of 2020 Some believe that culture is strictly a human phenomenon. But this book reveals cultures of other-than-human beings in some of Earth's remaining wild places. It shows how if you're a sperm whale, a scarlet macaw, or a chimpanzee, you too come to understand yourself as an individual within a particular community that does things in specific ways, that has traditions. Alongside genes, culture is a second form of inheritance, passed through generations as pools of learned knowledge. As situations change, social learning—culture—allows behaviors to adjust much faster than genes can adapt. *Becoming Wild* brings readers into intimate proximity with various nonhuman individuals in their free-living communities. It presents a revelatory account of how animals function beyond our usual view. Safina shows that for non-humans and humans alike, culture comprises the answers to the question, "How do we live here?" It unites individuals within a group identity. But cultural groups often seek to avoid, or even be hostile toward, other factions. By showing that this is true across species, Safina illuminates why human cultural tensions remain maddeningly intractable despite the arbitrariness of many of our differences. *Becoming Wild* takes readers behind the curtain of life on Earth, to witness from a new vantage point the most world-saving of perceptions: how we are all connected.

A Night at the Opera Sir Denis Forman,2011-10-05 "Delightful and anti-reverential"—Sunday Times (London) With an encyclopedic knowledge of opera and a delightful dash of irreverence, Sir Denis Forman throws open the world of opera—its structure, composers, conductors, and artists—in this hugely informative guide. *A Night at the Opera* dissects the eighty-three most popular operas recorded on compact disc, from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte*. For each opera, Sir Denis details the plot and cast of characters, awarding stars to parts that are "worth looking out for," "really good," or, occasionally, "stunning." He goes on to tell the history of each opera and its early reception. Finally, each work is graded from alpha to gamma (although the Ring cycle gets an "X"), and Sir Denis has no qualms about voicing his opinion: the first act of *Fidelio* is "a bit of a mess," while the last scene of *Don Giovanni* "towers above the comic finales of *Figaro* and *Così* and whether or not [it] is Mozart's greatest opera, it is certainly his most powerful finale." The guide also presents brief biographies of the great composers, conductors, and singers. A glossary of musical terms is included, as well as *Operatica*, or the essential elements of opera, from the proper place and style of the audience's applause (and boos) to the use of subtitles. *A Night at the Opera* is for connoisseurs and neophytes alike. It will entertain and inform, delight and (perhaps) infuriate, providing a subject for lively debate and ready reference for years to come.

The Illustrated & Complete Brigadier Gerard Arthur Doyle,2008 At the head of the Grande Armee march the Hussars of Conflans-and leading them is Brigadier Gerard! These are the adventures of Conan Doyle's incomparable French hero-the finest swordsman in the Light Cavalry-Etienne Gerard. Arranged for the first time in historical chronological order, his many enthusiasts can now properly appreciate his colourful career as he fights, loves and blunders his way through the Napoleonic epoch-from his earliest adventure as a young blade determined to reach his lady love despite the unwelcome attention of her fathers bull-through many campaigns and special missions-to the bloody field of Waterloo, the downfall of his beloved Emperor and beyond. This is the complete collection of these classic stories. What makes this edition exceptional is the inclusion of nearly 140 illustrations-mostly by the famed military artist William Barnes Wollen-which accurately portray the spirit of the stories and the uniforms and scenes of the events they portray. At last the modern reader can fully appreciate the Brigadier as he originally appeared in *The Strand* magazine.

This unique volume will be a delight for fans of Conan Doyle and the Brigadier-and will be a perfect addition to the libraries of enthusiasts of the age of Napoleon in fiction and in history alike. Available now for collectors from Leonaaur in soft back and a hardcover with dust-jacket, this book is destined to be treasured forever by those who own it.

How Bad Are Bananas? Mike Berners-Lee,2011-04-01 Part green-lifestyle guide, part popular science, How Bad Are Bananas? is the first book to provide the information we need to make carbon-savvy purchases and informed lifestyle choices and to build carbon considerations into our everyday thinking. The book puts our decisions into perspective with entries for the big things (the World Cup, volcanic eruptions, the Iraq war) as well as the small (email, ironing, a glass of beer). And it covers the range from birth (the carbon footprint of having a child) to death (the carbon impact of cremation). Packed full of surprises — a plastic bag has the smallest footprint of any item listed, while a block of cheese is bad news — the book continuously informs, delights, and engages the reader. Solidly researched and referenced, the easily digestible figures, statistics, charts, and graphs (including a section on the carbon footprint of various foods) will encourage discussion and help people to make up their own minds about their consumer choices.

Tile & Till ,1915

Twenty-five Great Essays Robert DiYanni,2005 A compact collection of essays at an affordable price, Twenty-Five Great Essays offers readers an excellent models of good writing and springboards to student writing. Selections range from classic essays such as E.B. White's, Beauty and Frederick Douglass', Learning to Read and Write, to contemporary essays such as Joan Didian's, Marrying Absurd and Stephen Jay Gould's, Women's Brains. General readers.

The Complete Brigadier Gerard Arthur Conan Doyle,2018-02-10 The Complete Brigadier Gerard has the brigadier recounting his adventures in the Peninsular War, the retreat from Moscow and at Waterloo. Flashman's George MacDonald Fraser called the book A splendid catalogue of secret missions, escapes, love affairs, disguises, duels and occasional disasters. With 55 original illustrations by W.B.Wollen.
