Well Played 1.0 Drew Davidson,2009-01-01 Video games can be well played in two senses. On the one hand, well played is to games as well read is to books. On the other hand, well played as in well done. This book is full of in-depth close readings of video games that parse out the various meanings to be found in the experience of playing a game. 22 contributors (developers, scholars, reviewers and bloggers) look at video games through both senses of well played. The goal is to help develop and define a literacy of games as well as a sense of their value as an experience. Video games are a complex medium that merits careful interpretation and insightful analysis

The Estate House Re-designed Anthony Sully,2018-08-07 The book demonstrates how new houses can be designed to be more sustainable and ergonomic. Specifically, it describes a prototype building that could be constructed in the near future. Responding to some of the poor standards of mass estate housing in the UK and its out-of-date space standards, it contributes towards improving the current status quo by describing a house design, including drawings, that can compete with today's mass housing. The author examines the traditional geometrical reliance on the square in the design of houses and the planning of housing estates and promotes instead the adoption of polygonal forms. This is explained using geometric analysis, diagrams and references to existing housing. These concepts have been developed with reference to technical literature from various companies with one company interested in taking it further. Providing a novel and up-to-date design concept, this book is of value to practitioners and researchers looking to improve the standard of mass housing in the UK. It is also of interest to anyone wishing to build their own house and to manufacturers wanting to move into modern housing technology.

Dragon Age: Hard in Hightown Varric Tethras,Mary Kirby,2018-07-31 Prolific dwarven author and heroic companion of the Dragon Age games, Varric Tethras brings us the collected edition of his breakthrough crime-noir drama, Hard in Hightown (with help from his trusted human confidante, Mary Kirby)! This volume is beautifully illustrated by Stefano Martino, Álvaro Sarraseca, Andres Ponce, and Ricardo German Ponce Torres, with a painted cover by E.M. Gist! Twenty years of patrols have chiseled each and every stone of the Kirkwall streets into city guardsmen Donnen Brennokovic. Weary and weathered, Donnen is paired with a recruit so green he might as well have leaves growing out of his armor. When the mismatched pair discover a dead magistrate bleeding out on the flagstones, they're caught up in a clash between a shadowy organization known only as the Executors and a secretive group of Chantry agents--all over some ancient artifact. This is a prose novel featuring 24 black And white full page images.
