*Papertoy Monsters* Brian Castleforte,2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.

*The Heart of Pinocchio* Collodi Nipote,2016-07-18 The Heart of Pinocchio by Collodi Nipote. New adventures of the celebrated little puppet. Dear Boys and Girls, -Let us hope that none of you has been so unfortunate as to have missed the pleasure of watching sometime or other a puppet show. Probably Punch and Judy is the one you know best, but there are many others with jolly little fellows who dance in and out of all sorts of adventures. So you can imagine Pinocchio, the hero of this book, as one of those lively puppets. And, in case you have never read the earlier book about him, you will want to know something of what happened to him before you meet him in these pages. One day a poor carpenter, called Master Cherry, began to cut up a piece of wood to make a table-leg of it when, to his utmost amazement, the piece of wood cried out, Do not strike me so hard! The frightened carpenter stopped for a moment, and when he began again and struck the wood a blow with his ax the voice cried out once more, Oh, oh! you have hurt me so! The carpenter was now so terrified that he was only too glad to turn the piece of wood over to a neighbor, Papa Geppetto, who cut it up into the shape of a boy puppet, painted it, and named it Pinocchio-which means a piece of pinewood. As soon as he had finished making him, Pinocchio grabbed the old man's wig off his head and started in to play tricks. Papa Geppetto then taught the puppet to walk, and when naughty Pinocchio discovered he could use his legs, he ran away. Then began all kinds of adventures, and Pinocchio was sometimes naughty and selfish, and sometimes kind and considerate, but always funny and jolly. In this new book Pinocchio's heart has grown through love and consideration for others, so that he becomes a real boy and takes part in the war to help his beautiful country, Italy.

He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
