Leadership for a Better World NCLP (National Clearinghouse for Leadership Programs), 2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that *The Social Change Model: Facilitating Leadership Development* (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. Jungle Night Sandra Boynton, 2023-06-20 Two celebrated artists, Sandra Boynton and Yo-Yo Ma, come together for Jungle Night, a soothing bedtime board book. (Okay, MOSTLY soothing.) This board book guides us through the jungle to hear the distinctive, gentle snore of each animal: "Listen to the tiger: ZEEE-ZOOO-HAAA. Listen to the cheetah: CHEE-CHEE-TAAAH." A free downloadable recording at JungleNight.com offers a narration of the book, with each and every animal snore interpreted by the expressive, playful cello of Yo-Yo Ma. He even does the elephant's stop-the-show snore—though admittedly that took Ma's cello PLUS the classic horn salute of the James R. Barker steamship. (Seriously.) All this fabulousness leads into the coolest lullaby ever: "Jungle Gymnopedie No. 1," a polyrhythmic jungle-y arrangement by Boynton of Erik Satie's renowned piece, with Yo-Yo Ma on cello, guitar played by Ron Block of Alison Krauss Union Station, and drums by Kevin MacLeod. "Yo-Yo and I chose this piece because it's the most gorgeous and mesmerizing night song imaginable," explains Boynton. "And there was surely nothing else that could get those animals back to sleep after that elephant blast."
