Project Kid: Crafts That Go! Amanda Kingloff, 2016-09-06 Thomas the Tank Engine. Hot Wheels. Mike Mulligan and His Steam Shovel. Richard Scarry's Cars and Trucks and Things That Go. Kids' fascination with vehicles is insatiable. In *Project Kid: Crafts That Go!*, that excitement is translated into more than 60 inventive craft projects for parents to make with and for their children. The book is organized into seven chapters: City, Rails, Sky, Space, Water, Country, and Dirt. There are police cars and ice cream trucks; circus trains and submarines; helicopters, rocket ships, cement mixers, and school buses. And because the car-obsessed kid doesn't just want a new vehicle to play with—he wants a racetrack, his very own driver's license, maybe even a child-sized gas station—each chapter includes not only toys but also thematic clothing, decor, accessories, and more. Projects feature clear instructions and step-by-step photographs wherever they are needed, easy for both kids and non-crafty adults to understand.

The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on “gurus” and “masters,” proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

My Darkest Years James Bachner, 2010-06-25 Born in Berlin in 1922, James Bachner was a German Jew during the darkest days of the Third Reich. Once a happy child in a well-to-do German family, as the years passed Bachner faced first ridicule and persecution, then imprisonment and deprivation. Attributing his survival to a combination of strength and being in the right place at the right time, Bachner's memoir is a poignant and often horrific account of Jewish struggles during the days of World War II. Beginning with his idyllic childhood, Bachner expresses the range of emotions he experienced as the Nazis transformed his homeland into a nation where he and his fellow Jews

were no longer welcome. He describes the volatile political atmosphere and the fears inspired in all Germans by tales of the concentration camps. In addition, he tells of the belief many Jews held that the West would step in and put an end to Hitler's reign. The work then details the realities of life in a concentration camp. The end of the war, Bachner's reunion with his remaining family members and his eventual relocation to America are also discussed.
