Windhall Ava Barry, 2021-03-02 A stunning literary thriller in which an investigative journalist in modern Los Angeles attempts to solve the Golden Age murder of a Hollywood starlet. 1940s Hollywood was an era of decadence and director Theodore Langley was its king. Paired with Eleanor Hayes as his lead actress, Theo ruled the Golden Age of Hollywood. That ended when Eleanor's mangled body was discovered in Theo's rose garden and he was charged with her murder. The case was thrown out before it went to trial and Theo fled L.A., leaving his crawling estate, Windhall, to fall into ruin. He hasn't been seen since. Decades later, investigative journalist Max Hailey, raised by his gran on stories of old Hollywood, is sure that if he could meet Theo, he could prove once and for all that the famed director killed his leading lady. When a copycat murder takes place near Windhall, the long reclusive Theo returns to L.A., and it seems Hailey finally has his chance. When Hailey gets his hands on Theo's long-missing journals, he reads about Eleanor's stalkers and her role in Theo's final film, *The Last Train to Avalon*, a film so controversial it was never released to the public. In the months leading up to her death, something had left her so terrified she stopped coming to work. The more Hailey learns about Avalon, the more convinced he becomes that the film could tell him who killed Eleanor and why she had to die. But the implications of Avalon reach far beyond Eleanor's murder, and Hailey must race to piece together the murders of the past and present before it's too late.

Healing Herbal Soups Rose Cheung,Genevieve Wong,2021-09-28 Soothe your soul and boost your immunity with these easy and delicious soup recipes that incorporate Traditional Chinese Medicine. Combining the trends of culinary medicine and seasonal eating and adding a dash of Traditional Chinese Medicine (TCM), Healing Herbal Soups is the first book of its kind to focus on boosting immunity and weathering the seasons, by a mother-daughter, Chinese-American duo. Rose and Genevieve have been making Chinese herbal soups in their kitchens all their lives. They made broths to help their bodies adapt to the seasons, and now, for the first time, they're translating these traditional recipes—all of which have been vetted by Dr. Shiu Hon Chui, a preeminent TCM doctor, researcher, and professor—into English. Healing Herbal Soups provides a complete herbal encyclopedia and more than fifty tasty recipes—with full-color photographs—that mix herbs with meat and vegetables to create healing broths. These easy-to-follow recipes are here for you whenever you feel unwell, or if you're just looking to add healthy soups to your weekly meal rotation. Armed with an introduction to TCM and special sections on tea, ginger, and ginseng, as well, at last, you can feel less dependent on Western concoctions of drugs and chemicals, and start using traditional Chinese herbs right in the comfort of your own home.

No Exit from Pakistan Daniel S. Markey,2013-10-07 This book tells the story of the tragic and often tormented relationship between the United States and Pakistan. Pakistan's internal troubles have already threatened U.S. security and international peace, and Pakistan's rapidly growing population, nuclear arsenal, and relationships with China and India will continue to force it upon America's geostrategic map in new and important ways over the coming decades. This book explores the main trends in Pakistani society that will help determine its future; traces the wellsprings of Pakistani anti-American sentiment through the history of U.S.-Pakistan relations from 1947 to 2001; assesses how Washington made and implemented policies regarding Pakistan since the terrorist attacks on the United States on September 11, 2001; and analyzes how regional dynamics, especially the rise of China, will likely shape U.S.-Pakistan relations. It concludes with three options for future U.S. strategy, described as defensive insulation, military-first cooperation, and comprehensive cooperation. The book explains how Washington can prepare for the worst, aim for the best, and avoid past mistakes.

The Group Portraiture of Holland Alois Riegl,2000-03-16 In The Group Portraiture of Holland, art historian Alois Riegl (1858-1905) argues that the artists of sixteenth- and seventeenth-century Holland radically altered the beholders relationship to works of art. Group portraits by artists such as Rembrandt and Frans Hals reflect an egalitarian viewpoint not found in the more hierarchically structured Italian works of the same period. First published in 1902 and here in English for the first time, the book opened up areas of inquiry that continue to engage scholars today.

Art That Resonates Brenda Molloy,2013-06-25 Art That Resonates is a collection of stunning images, made with fractal geometry and filled with mystic energy, that appear to be vibrating off the pages of this contemplative and meditative book. The images are paired with quotes of wisdom sourced from around the world and through the ages. Their transformative potential harnesses the spiritual power of art and allows the viewer to lose oneself in alternate visual realities. One can spend time with them and sense work being done energetically on the body/mind/spirit.

Slave Stealers Timothy Ballard,2018 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day underground railroad which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The Conductor; Abraham Lincoln--the Great Emancipator; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Janey the Vet Janey Lowes,2020-03-19 'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she

patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.
